Suburban Souls Jacky S,2020-11-23 *Suburban Souls The Erotic Psychology of a Man and a Maid* book two of two This is the highly pornographic story of Jacky S a middle aged stockbroker his obsession with the teenage daughter of a friend her reciprocation of his amours and the many ways they please one another *Suburban Souls* is an anonymous erotic novel originally printed and published in Paris in one hundred and fifty copies in 1901 for distribution amongst private subscribers only The book which is considered a classic of the 20th century erotic fiction genre was originally published by Charles Carrington a leading British publisher of erotica in late 19th and early 20th century Europe and possibly written by him also under the pseudonym of Jacky S **Suburban Souls** Anonymous,2016-04-08 When middle aged broker Jack S meets the daughter of his friend and acquaintance for the first time he is immediately taken with the bright young Parisian Enamoured by her beauty and more so by her apparent lack of naivety Jack and Lilian will enter into a sordid affair of lust and sexual enlightenment that will drive each of them wild with abandon But how far can Jack test Lilian s limits without knowing how his erotic education is truly effecting her And is every act of libidinous deed and device that occurs how Jack remembers it Desperate for each other will their physical want get the better of the them or will their feelings give way to something more profound Anonymously written in 1901 and published by the infamous Victorian erotic publisher Charles Carrington this classic of once suppressed literature told in part by way of revealing letters in an unabashed and sumptuously graphic prose captures the decadent underbelly of late nineteenth century Paris Erotica par excellence **A Study of Erotic Literature in England** W. v. Murat,2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879 1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation *Forbidden Books* Old bibliophile,1902 Suburban souls Anonymous,1995
