Succession To Muhammad A Study Of The Early Caliphate

Wilferd Madelung

Succession To Muhammad A Study Of The Early Caliphate:

The Succession to Muhammad Wilferd Madelung, 1996-08-29 In a comprehensive study of early Islamic history Wilferd Madelung examines the conflict which developed after Muhammad's death for the leadership of the Muslim community. He pursues the history of this conflict through the reign of the four Rightly Guided caliphs to its climax in the first inter-Muslim war. The outcome of the war which marked the demise of the reign of the Early Companions resulted in the lasting schism between Sunnite and Shi'ite Islam. Contrary to recent scholarly trends the author brings out Ali's early claim to legitimate succession which gained support from the Shi'a and offers a convincing reinterpretation of early Islamic history. This book will make a major contribution to the debate over succession. Wilferd Madelung's book *The Succession to Muhammad* has been awarded the Best Book of the Year prize by the Islamic Republic of Iran for the year 1997. *The Succession to*

Muhammad Madelung Wilferd, 2014-05-18 In a convincing reinterpretation of early Islamic history Wilferd Madelung examines the conflict that developed after the death of Muhammad for control of the Muslim community. He demonstrates how this conflict which marked the demise of the first four caliphs resulted in the lasting schism between Sunnite and Shi'ite Islam. In contrast to recent scholarly trends the author takes up the Shi'i cause arguing in defense of the succession of Ali.

This book will make a major scholarly contribution to the debate over succession. **The Succession to Muhammad** Wilferd Madelung, 1997 In a comprehensive study of early Islamic history Wilferd Madelung examines the conflict which developed after Muhammad's death for the leadership of the Muslim community. He pursues the history of this conflict through the reign of the four Rightly Guided caliphs to its climax in the first inter-Muslim war. The outcome of the war which marked the demise of the reign of the Early Companions resulted in the lasting schism between Sunnite and Shi'ite Islam. history Wilferd Madelung examines the conflict which developed after Muhammad's death for the leadership of the Muslim community. He pursues the history of this conflict through the reign of the four Rightly Guided caliphs to its climax in the first inter-Muslim war. The outcome of the war which marked the demise of the reign of the Early Companions resulted in the lasting schism between Sunni and Shi'ite Islam. Contrary to recent scholarly trends the author brings out Ali's early claim to legitimate succession which gained support from the Shi'a and offers a convincing reinterpretation of early Islamic history. This book will make a major contribution to the debate over succession. Wilferd Madelung's book *The Succession to Muhammad* has been awarded the Best Book of the Year prize by the Islamic Republic of Iran for the year 1997. *The Heirs of the Prophet* Liyakat N. Takim, 2012-02-01 2007 CHOICE Outstanding Academic Title. After the death of the Prophet Muhammad, different religious factions within the Muslim community laid claim to the Prophet's legacy. Drawing on research from Sunni and Shi'ite literature, Liyakat N. Takim explores how these various groups, including the caliphs, scholars, Sufi holy men, and the Shi'ite imams and their disciples, competed to be the Prophetic heirs. The book also illustrates how the tradition of the heirs of the Prophet was often a polemical tool used by its bearers to demand obedience and loyalty from the Muslim community by imposing an authoritative rendition of texts, beliefs, and religious practices. Those who did not obey were marginalized and demonized. While examining the competition for Muhammad's charismatic authority, Takim investigates the Shi'ite self-understanding of authority and argues that this was an important factor in the formation of a distinct Shi'ite leadership. *The Heirs of the Prophet* also provides a new understanding of textual authority in Islam by examining authority construction and the struggle for legitimacy evidenced in Islamic biographical dictionaries. **Caliph and Caliphate: Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-05-01. This ebook is a selective guide designed to help scholars and students of Islamic studies find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear, from books, chapters, and journal articles to online archives, electronic data sets, and blogs. Written by a leading international authority on the subject, the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated. A reader will discover, for instance, the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic. In Islamic studies, as in other disciplines, researchers at all levels are drowning in potentially useful scholarly information, and this guide has been created as a tool for cutting through that material to find the exact source you need. This ebook is a static version of an article from *Oxford Bibliographies Online: Islamic Studies*, a dynamic, continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study of the Islamic religion and Muslim cultures. *Oxford Bibliographies Online* covers most subject disciplines within the social science and humanities. For more information, visit www.oxfordjournals.org. *Caliphate* Hugh Kennedy, 2016-10-11. From a

preeminent scholar of Islamic history the authoritative history of caliphates from their beginnings in the 7th century to the modern day In Caliphate Islamic historian Hugh Kennedy dissects the idea of the caliphate and its history and explores how it became used and abused today Contrary to popular belief there is no one enduring definition of a caliph rather the idea of the caliph has been the subject of constant debate and transformation over time Kennedy offers a grand history of the caliphate since the beginning of Islam to its modern incarnations Originating in the tumultuous years following the death of the Mohammad in 632 the caliphate a politico religious system flourished in the great days of the Umayyads of Damascus and the Abbasids of Baghdad From the seventh century Orthodox caliphs to the nineteenth century Ottomans Kennedy explores the tolerant rule of Umar recounts the traumatic murder of the caliph Uthman dubbed a tyrant by many and revels in the flourishing arts of the golden eras of Abbasid Baghdad and Moorish Andaluc Kennedy also examines the modern fate of the caliphate unraveling the British political schemes to spur dissent against the Ottomans and the ominous efforts of Islamists including ISIS to reinvent the history of the caliphate for their own malevolent political ends In exploring and explaining the great variety of caliphs who have ruled throughout the ages Kennedy challenges the very narrow views of the caliphate propagated by extremist groups today An authoritative new account of the dynasties of Arab leaders throughout the Islamic Golden Age Caliphate traces the history and misappropriations of one of the world s most potent political ideas

The Prophet's Heir Hassan Abbas,2021-02-23 The life and legacy of one of Mohammad s closest confidants and Islam s patron saint Ali ibn Abi Talib Ali ibn Abi Talib is arguably the single most important spiritual and intellectual authority in Islam after prophet Mohammad Through his teachings and leadership as fourth caliph Ali nourished Islam But Muslims are divided on whether he was supposed to be Mohammad s political successor and he continues to be a polarizing figure in Islamic history Hassan Abbas provides a nuanced compelling portrait of this towering yet divisive figure and the origins of sectarian division within Islam Abbas reveals how after Mohammad Ali assumed the spiritual mantle of Islam to spearhead the movement that the prophet had led While Ali s teachings about wisdom justice and selflessness continue to be cherished by both Shia and Sunni Muslims his pluralist ideas have been buried under sectarian agendas and power politics Today Abbas argues Ali s legacy and message stands against that of ISIS Al Qaeda and Taliban

Islam Jacques Waardenburg,2008-08-22 This book presents some twenty essays on different aspects of Islam in history and the present These essays are grouped into eight larger sections The first The Beginnings deals with the transition from pre Islamic understandings and reason an essential part of the Quranic message The next two sections deal with Islam specifically as a religion with its particular signs and symbols The question of rules of interpretation in Islam and its structural features is discussed here Sections four and five deal with ethics in Islam including Muslim identity and human rights and certain social functions of Islam Section six introduces some 19th and 20th century reform movements with special attention given to developments in Saudi Arabia and the puritan characteristics of present day Islamic revival movements The final two sections discuss contemporary issues

Islamization processes and policies Islamic ideologies the ideologization of Islam and the political uses of religion Throughout the book the author shows the links between the religious and other interpretations and uses made of Islam and the contexts in which they are made The Introduction signals some important developments in Islamic studies since World War II

Enjoying the Tune of Expression: An Psychological Symphony within **Succession To Muhammad A Study Of The Early Caliphate**

In some sort of eaten by monitors and the ceaseless chatter of instantaneous conversation, the melodic splendor and mental symphony developed by the published term frequently fade into the backdrop, eclipsed by the constant sound and disturbances that permeate our lives. Nevertheless, nestled within the pages of **Succession To Muhammad A Study Of The Early Caliphate** an enchanting fictional treasure filled with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that fascinating masterpiece conducts readers on a psychological trip, well unraveling the concealed melodies and profound impact resonating within each carefully crafted phrase. Within the depths of the poignant analysis, we will explore the book is main harmonies, analyze their enthralling publishing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
