Such is Life, Being Certain Extracts from the Diary of Tom Collins (Joseph Furphy). Joseph Furphy, 1917 **Such is life:**
being certain extracts from the diary of Tom Collins (Joseph Furphy), ed Joseph Furphy, Vance Palmer, **The Life**
of Such is Life Roger Osborne, 2022-03-01 Since its publication in 1903 Joseph Furphy's *Such is Life* has become established as an Australian classic But which version of the novel is the authoritative text and what does its history reveal about Australian cultural life From Furphy's handwritten manuscript through numerous editions a controversial abridgement for the British market condemned by A D Hope as a mutilation and periods of obscurity and rediscovery the text has been reshaped and repackaged by many hands Furphy's first editors at the Bulletin diluted his socialist message and corrected his Australian slang to create a more marketable book Later literary players including Vance and Nettie Palmer Miles Franklin Kate Baker and Angus Robertson all took an interest in how Furphy's work should be published In a fascinating piece of literary detective work Osborne traces the book's journey and shows how economic and cultural forces helped to shape the novel we read today **Such is Life** Joseph Furphy, 1986 Repeat Story of the bullock drivers of Australia's outback in the 1880's First published in 1903 **Such is Life** Vance Palmer, 1903 **Encyclopedia of the Novel** Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only from analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world **Distorted Bodies and Suffering Souls**. Chantal Kwast-Greff, 2013 Chaos Pain Self mutilation Women starve themselves They burn or slash their own flesh or their babies throats and slam their newborns against walls Their bodies are the canvases on which the suffering of the soul carves itself with knife and razor In Australian fiction written by women between 1984 and 1994 female characters inscribe their inner chaos on their bodies to exert whatever power they have over themselves Their self inflicted pain is both reaction and language the bodily sign not only of their enfeeblement but also to a certain extent of their empowerment of themselves and their world The texts considered in this book chiefly by Margaret Coombs Kate Grenville Fiona Place Penelope Rowe Leone Sperling and Amy Witting function as both defiance and acceptance of prevailing discourses of femininity and patriarchy between submission and a possible future The narratives of anorexia bulimia fatness self mutilation incest and murder shock the reader into an understanding of deeper meanings of body and soul and prompt a tentative interpretation of fiction in relation to the world of real women and men in contemporary white Australia This is affective literature with the reader in

voyeuristic complicity Holding up the mirror of fiction the women writers act perform as a social lever their narratives as Bildungsromane But there is a risk that of reinforcing stereotypes and codes of conduct which supposedly long gone still represent women as victims Why are the female characters self destroyers and victims Why are they not heroes saviours or conquerors If women read about women themselves and feel pity for the Other they read about they will also feel pity for themselves there is little happiness in being a woman But infanticide and distorting the body are problem solving behaviours In truth the bodies of the female characters bear the marks and scars of the history of their mothers and the history of their grandmothers indeed that of their own the history of survivors
