

A photograph of a dirt road winding through a forest. The trees on either side have autumn-colored foliage in shades of yellow, orange, and brown. The road leads towards a bright light source at the end of the path, creating a strong lens flare effect. The overall mood is contemplative and serene.

Such is life and life is such and after
all it isn't much. First a cradle. Then
a hearse. It might have been better,
but it could have been worse.
