Fall of Frost Brian Hall, 2008-03-27 The life of Robert Frost brilliantly reimagined by the author of the acclaimed I Should Be Extremely Happy in Your Company. Called a spellbinding prose stylist, Los Angeles Times Brian Hall drew extraordinary praise for his novel I Should Be Extremely Happy in Your Company in which he captured the personal lives of Lewis and Clark. Now he turns his talents to Robert Frost, arguably America's most famous poet. Through the revelatory voice of fiction, Hall gives us an artist toughened by tragedy whose intimacy with death gave life to his poetry for him the preeminent symbol of man's form giving power. This is the exquisitely rendered portrait of one man's rages, guilt, generosity, and defiant persistence as much a fictional masterwork as it is a meditation on greatness.

The Body Is a Doorway: A Memoir Sophie Strand, 2025-03-04 A LIT HUB MOST ANTICIPATED BOOK OF 2025 In this lyrical, radically expansive self-portrait, celebrated poet, author, and lecturer Sophie Strand explores with searing insight and honesty the intersecting spaces of her own chronic illness, the complex ecology of a changing world, and the very nature of the stories we tell ourselves. At age sixteen, Sophie Strand, bright, agile, fearless, is suddenly beset by unexplained debilitating illness while on a family trip abroad. Her once vibrant life becomes a tangled miasma of medication, specialists, anaphylaxis, and seemingly never-ending attempts to explain what has gone so terribly wrong. And for many years thereafter, Sophie's life becomes subsumed with ideas, not of health, but of explanation, and the narrative of how and why she became sick. But slowly, through both profound fatigue with the medical industrial complex and a deeply entwined relationship with the natural world, she comes to another, more fundamental understanding of what has happened to her body. What if sickness is not a separation from the body? What if health is not quite so easy to see? What if physical pain leaves us no choice but to return to our bodies, the pinpricks and lightning of illness stitching us back into a physical presence our society has taught us to ignore? In a work both expansively tender and shockingly frank, Sophie Strand offers readers a window onto her own winding journey through the maze of chronic illness, a web not unlike those created by the mycorrhizal fungi whose networks she begins to see as a metaphor for the profound connections between all species and the earth. Grounded deeply in the mountains of the Hudson Valley, each moment of this far-reaching narrative snakes its way through the multi-layered ecology of the land around us, from the stunningly powerful

pollen of a phlox plant to the unexpected beauty and wisdom of the woodchuck

The Body Is a Doorway dives into the murky waters of sickness and trauma as well as the resonant challenges and joys of friendship young adulthood first love and fertility Throughout in precise sparkling language it explores questions both personal and universal Is there healing beyond the human Beyond the hope for a cure or a happy ending Is there something wilder and more symbiotic beyond narrow ideas of well being

Shine, Perishing Republic Rudolph Gilbert, **Borderlands Boy** Ken Carpenter, 2019-12-11 This lyrical moving and intensely personal coming of age memoir is also a coming out story of a gay boy from a conservative family growing up in the U S Southwest in an era of political social and cultural transformation It is also an extended reflection on the importance of place time history and geography in shaping who we are and who we become In post World War II America the specter of nuclear destruction and environmental crises challenges to racism and women s inequality the Vietnam War and the sexual revolution threaten to tear the country apart Already struggling with what it means to be different and what kind of man to become the author faces the ultimate moral test of courage and conscience when he graduates from college and is drafted to fight in Vietnam How will he navigate these tumultuous years and what will he learn from his experiences How can he survive find love and a purpose in life And what lessons are there in such a story for future generations in a world without borders
