Suetonius Nero:

The Nonviolent Atonement J. Denny Weaver, 2001-08-28 This challenging work explores the history of the Christian doctrine of atonement exposing the intrinsically violent dimensions of the traditional Anselmian satisfaction atonement view and offering instead a new thoroughly nonviolent paradigm for understanding atonement based on narrative Christus Victor The book develops a two part argument J Denny Weaver first develops narrative Christus Victor as a comprehensive nonviolent atonement motif The other side of the discussion exposes the assumptions and the accommodation of violence in traditional atonement motifs The first chapter lays out narrative Christus Victor as nonviolent atonement that reflects the entire biblical story though paying particular attention to Revelation the Gospels and Paul This biblical discussion also touches on the Old Testament story Hebrew sacrifices and the book of Hebrews Following chapters place narrative Christus Victor in conversation with defenders of Anselm and with representatives of black feminist and womanist theologies These discussions expose an accumulation of dimensions of violence in the several forms of satisfaction atonement A final substantive chapter analyzes the inadequacy of all attempts to defend Anselm against the recent challenges raised by feminist and womanist perspectives This analysis lays bare the violent dimensions of satisfaction atonement which can be camouflaged but not removed In light of this discussion Weaver argues that the view of satisfaction atonement must be abandoned and replaced with narrative Christus Victor as the only thoroughly biblical and thoroughly nonviolent alternative

Nero Miriam Griffin, 2002-09-11 Nero s personality and crimes have always intrigued historians and writers of fiction However his reign also illuminates the nature of the Julio Claudian Principate Nero s suicide brought to an end the dynasty Augustus had founded and placed in jeopardy the political system he had devised Miriam T Griffin s authoratitive survey of Nero s reign incorporates both a chronological account as well as an analysis of the reasons for Nero s collapse under the pressure of his role as emperor **Suetonius' Life of Nero** K. R. Bradley, 1978 Nero Edward Champlin, 2005-09-30 The Roman emperor Nero is remembered by history as the vain and immoral monster who fiddled while Rome burned Edward Champlin reinterprets Nero s enormities on their own terms as the self conscious performances of an imperial actor with a formidable grasp of Roman history and mythology and a canny sense of his audience Nero murdered his younger brother and rival to the throne probably at his mother s prompting He then murdered his mother with whom he may have slept He killed his pregnant wife in a fit of rage then castrated and married a young freedman because he resembled her He mounted the

public stage to act a hero driven mad or a woman giving birth and raced a ten horse chariot in the Olympic games He probably instigated the burning of Rome for which he then ordered the spectacular punishment of Christians many of whom were burned as human torches to light up his gardens at night Without seeking to rehabilitate the historical monster Champlin renders Nero more vividly intelligible by illuminating the motives behind his theatrical gestures and revealing the artist who thought of himself as a heroic figure Nero is a brilliant reconception of a historical account that extends back to Tacitus Suetonius and Cassius Dio The effortless style and artful construction of the book will engage any reader drawn to its intrinsically fascinating subject
