Smoke and Steel Dax Murray,2024-05-30 At the Crossroads of Tomorrow Scions and Shadows 2 Being the youngest of the Sua royals never stopped Saritrah from scheming to take the throne But violent insurrectionists shattered those plans when they stormed the palace and decimated her family In the years since she has amassed an army and will return to claim her crown However Ashur her one remaining sibling has done the same and she must act soon if she's to secure her prize before he snatches it from her claws After Ashur razes the Temple of Yshuld the surviving Seers promise her the power to ensure victory But it will mean abandoning her legion to venture into the endless desert and locate a lost city Soon however she suspects that none of the women are who they claim to be even to each other One woman cryptically alludes to a paradisaical past another awakens in the night plagued by dreams of a frightening future the last woman never speaks But the more she questions her new companions motives the more she must question her own Is the vision of calamity an omen of what will happen if she fails Or a promise of what will come if she succeeds
