Reclaiming History Vincent Bugliosi, 2007-05-17 For fifty years the truth about the assassination of President

John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on

November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade

through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National

polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee

Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground

breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of

history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O

J Simpson in his best selling *Outrage* Bugliosi is perhaps the only man in America capable of writing the definitive book on

the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book

would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as

to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there

has never been a book that covers the entire case including addressing every piece of evidence and each and every

conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised

scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds

resonance depth and closure to the admirable work of the Warren Commission *Reclaiming History* is a narrative compendium

of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every

conspiracy theory revealed as a fraud on the American public Bugliosi's irresistible logic command of the evidence and ability

to draw startling inferences shed fresh light on this American nightmare At last it all makes sense
