The Size of God William D. Dean, Larry E. Axel, 1987

Die-Mentions: The 12 Dimensions of God James

Allen, 2025-02-11 In *Die Mentions* James embarks on a thought provoking journey that melds insights from science theology and philosophy The book examines the possibility of multiple dimensions co existing and how the Spirit may guide us through different levels of reality both seen and unseen James weaves together various perspectives to explore profound topics such as life death and energy By drawing from the Law of Conservation of Energy Biblical references science and accounts of near death experiences he prompts readers to contemplate the interplay between existence consciousness and the relationship between science and spirituality *Die Mentions* challenges our understanding of the world by inviting us to consider possibilities beyond our current grasp maybe even catching glimpses of what is happening within SPHERICAL Time By looking at our 3rd and 4th dimensions through the eyes of the highest dimensions readers will discover a new perspective on science theology and nature James uses the example of fish limited to perceiving only the 1st and 2nd dimensions unable to comprehend the full depth of higher dimensions He applies this concept to the 12th dimension incorporating evidence from sciences mathematics theology and nature Readers views will be transformed as they experience a broader understanding of the cosmos and their place within it

The Pocket-Size God Robert F. Griffin C.S.C., 2016-03-15 Fr Robert Griffin C S C 1925 1999 was a beloved member of the Notre Dame community With his cocker spaniel Darby O Gill he was instantly recognizable on campus He was well known for his priestly work counseling students as university chaplain for thirty years his summer ministry to the homeless and parishioners in New York City and his weekly columns in the student newspaper The Observer in which he invited the campus community to reflect with him on the challenges and joys of being Catholic in a time of enormous social and religious change This collection draws together essays that Griffin wrote for Notre Dame Magazine between 1972 and 1994 In them he considers many of the challenges that beset church and campus such as the laicization of priests premarital sex the erosion of institutional authority intolerance toward gay people and failure of fidelity to the teachings of the church Griffin also ruminates on the distress that human beings experience in the ordinariness of their lives the difficulty of communication in families grief over the loss of family and friends the agonies of isolation and the need for forgiveness Griffin s shrewd insights still ring true for people today His efforts to temper the winds of institutional rules cultural change and personal suffering reveal a mind keenly attuned to the need for understanding human limitations and to the presence of grace in times of change Griffin quotes from the works of

literary modernists such as Fitzgerald and Hemingway whose novels and short stories he loved in these allusions and in his own reflections and experiences Griffin bridges the spiritual and the secular and offers hope for reconciliation and comfort
