Snakes Of St Cyr:

The Snakes of St. Cyr William O'Farrell,1951 **Justified and Philosophy** Rod Carveth,Robert Arp,2014-12-22 The sharp shooting authors in Justified and Philosophy take aim at many of the same philosophical problems that the Justified TV series grapples with For instance is Tim Olyphant s character Deputy U S Marshal Raylan Givens morally justified in using his Wild Wild West style vigilante tactics to clean up Harlan County Kentucky After all the meth dealers thieves murderers and other low life scumbags all deserve what s coming to them right Not so fast Quick Draw McGraw What about the law What about a thorough and complete investigation of matters before dispensing so called justice What about the idea of the punishment fitting the crime Deputy Marshal Givens wears a white hat and fights the bad guys so he must be a good guy right His opponents are violent drug dealers white supremacists and thieves Givens carries a badge but when he shoots or kills people is it always justified What other choice does he have Would any other method be as effective in rural eastern Kentucky where criminal activity is one of the few viable options for making a living The coal mining culture of Harlan County Kentucky is an important backdrop to Justified and the issues surrounding the coal industry are addressed in some chapters Some of them include health problems like black lung the dissolution of communities the reduction in employment alternatives the destruction of the environment with mountain top removal and fracking and the increase in crime and poverty If Boyd Crowder robs the coal company responsible for exploiting his community is that justified The relationship between Boyd and Raylan dates back to a childhood friendship Then when they older they worked in the mines together One chapter explores the character and motivation of both men and argues that each follows a different moral compass Another chapter discusses the importance of family to the character of Mags Bennett and how that guides her actions and sense of duty Another topic of discussion is whether the end justifies the means when Boyd and his gang destroy a meth lab and end up killing one of the meth cooks Other chapters delve into a variety of fascinating philosophical themes that emerge in this modern day cowboy show **The Costumes of Burlesque** Coleen Scott,2019-06-03 The Costumes of Burlesque 1866 2018 is the first volume to inclusively document burlesque costume from its birth in the 1860 s through the global burlesque movement in 2018 This lushly illustrated book presents the history and development of this American art form by documenting the origins influencers and genuine articles that created its aesthetic Showcases of legendary performers including Lydia Thompson Gypsy Rose Lee Sally Rand Bettie Page Kitten Natividad and Dita Von Teese demonstrate costume styles through the years This guide gives readers a clear view of how burlesque costume looked and why It teaches collectors burlesque performers and fans alike to recognize vintage pieces for what they are and to design their own costumes with inspiration from the originals By including detailed costume documentation over 400 images and interviews with prominent costume designers such as Catherine D Lish and Garo Sparo The Costumes of Burlesque brings 150 years of burlesque costume history to life **MIKE Force** Shaun Darragh,2015-10-23 A soldier serving with the MIKE Force in Vietnam wakes

up every day knowing it might be his last You don't run with the indigenous Montagnard strikers expecting to live forever That's the nature of the beast that haunts American advisors serving with the tough little highland tribal volunteers in Vietnam's misty enemy infested central highlands It's tough demanding duty and just the kind of thing that attracts military mavericks like former Peace Corps volunteer Galen St Cyr who finds empathy and a new mystical identity with the Jarai tribesmen of his MIKE Force unit He finds himself on the outskirts of the regular U S military along with hand picked American Australian and Vietnamese Special Forces advisors and quickly discovers that duty with Montagnard soldiers involves more than just beating the bush and killing the enemy The world of the Jarai is both primitive and complex and learning to survive in it is the challenge of Galen's turbulent life On a journey that becomes as much spiritual as military St Cyr virtually becomes Jarai taking a hauntingly lovely native lover who commands a squad of assassins and listens to spirit voices and deals with tribal separatist elements who are planning an anti government coup Given the dearth of native characters and perspectives in books about America's Vietnam intervention this work fills a gap It is one of the most nuanced even handed novels on the conflict it has more in common with Last of the Mohicans than Rambo or Delta Force And that makes it far superior as a work of art and far more fascinating as a work of fiction Andrew Salmon author of To the Last Round The Epic British Stand on the Imjin River and Scorched Earth Black Snow Britain and Australia in the Korean War
