R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn't Today's typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i e Paul's letters to the Thessalonians the Olivet Discourse and John's visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there's only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it's theoretically impossible Scripture's six sequences only confirm one sequence and it is the one which has been presented in The Sequence Glory Roslyn and the Heart of Universe Tushar,2020-12-26 Glory is an eleven year old orphan who has a beautiful heart that never allows hate and anger to step in Her adoptive mother Myrtle Willis died when she was six Glory lives in painful conditions with her adoptive father who keeps himself drown in liquor all the time and with his cruel son who never misses a chance to torture her In these painful conditions she has a mysterious companion a tiny dragon faced red snake that has bat like wings and green pointed horns It appears from nowhere on her palm and absorbs all her pain whenever she mourns And one day she finds another mysterious companion who leads her to the hidden worlds This is a legend of war between Gods and Ill Dwellers to control the greatest power of the hidden worlds the Heart of Universe This is a legend of ambitions and conspiracies This is a legend of those whose hearts are filled with sacred feelings This is a legend of hope **Chambers's English Dictionary, Pronouncing, Explanatory and Etymological, with Vocab. of Scottish Words and Phrases, Americanisms, Etc** W. & R.
