Never Planned on You Lindsay Hameroff, 2025-02-18 A glittering laugh out loud second chance romance that reminds us true love is sometimes the one thing you never planned on. Ali Rubin has a reputation for spontaneity. Like that time she made a drunken bet in London that led to matching tattoos with a stranger. Her joie de vivre is one of her best qualities she lives every day to the fullest and follows her dreams wherever they take her. And now they're taking her from her career as a chef in New York City back home to Baltimore where she's interning as a wedding planner. Despite the occasional fantasy about her British tattoo twin Ali never expected to see Graham again. So no one is more surprised than she is when he turns up in Baltimore ordering a latte at her favorite cafe. When they reconnect during an enchanting evening together Ali can't help but wonder if Graham might be someone special. At the same time she's desperate to succeed in her new career and prove that she isn't the family flake. When she gets a job planning a high profile wedding at a historic hotel it seems like things are finally falling into place. That is until Graham turns out to be the groom. Graham's family owns the once grand now struggling Black Eyed Susan and he's returned to Baltimore to help his grandmother get it back on its feet. He's certain that hosting a wedding at the hotel is just the publicity boost it needs. Ali's boss agrees and promises Ali a full time gig if the affair goes off without a hitch. Unfortunately Ali and Graham can't seem to ignore their rekindled chemistry especially when it's revealed that Graham and his fiancée are planning a marriage of convenience. Still staying away from each other is the best thing they can do since giving in to their growing feelings might cost them everything. Because when it comes to love all bets are off.

The Brightonians Under Siege Daren Kay,2024-03-23 History mystery and enough bitchery to meet your daily nutritional requirement for snark secrets and sweet sentiment The Brightonians Under Siege is about a group of warring socialites coping with the bonkersness of the first lockdown But on a broader level it s about how resourceful people can be when they feel under attack Under siege you might say The important role played by humour and friendship And in the case of our Brightonians dabbling in the dark arts too Beginning in 2020 with an ominous card reading that the fortune teller hasn t drawn for 40 years one question preys on his mind Could this scary new virus he s read about be as devastating as the one that killed so many of his friends in the mid 80s Only time will tell But as countries close their borders and people are told to stay at home one set of Brightonians becomes transfixed by his reading Especially the Saxon symbols on which the cards are based Deprived of their usual battlegrounds of parties and social events they take to the internet and the occasional illegal gathering in a race to be the first to capitalise on this ancient magic Peppered with flashbacks to the hedonistic 80s before the arrival of that other pandemic and the darker period ushered in as a result The Brightonians Under Siege explores how differently the world responded to both viruses But far from being a sad tale this is a joyously funny story Perhaps not so surprising when the key narrator is a 73 year old ex porn star turned drag queen keen to reminisce about outrageous gay discos and leather fetish clubs At a time of unprecedented crisis the stakes couldn t be higher What answers might the symbols offer in the fight against this new virus And more importantly who will be victorious in the battle to control this most colourful of social circles Too soon to reminisce about lockdown Not on your nelly Cut yourself a slice of banana bread and let the socially distanced party begin Following the success of The Brightonians described variously on goodreads com as evoking the style of E F Benson s Mapp Lucia P G Wodehouse s Jeeves and Wooster and Maupin s Tales of the City The Brightonians Under Siege is written in the same satirical style Of interest to fans of The Brightonians the sequel is a standalone work aimed at readers not familiar with the first novel
