So Long See You Tomorrow Signed:

So Long, See You Tomorrow William Maxwell, 2011-04-27 In this magically evocative novel William Maxwell explores the enigmatic gravity of the past which compels us to keep explaining it even as it makes liars out of us every time we try On a winter morning in the 1920s a shot rings out on a farm in rural Illinois A man named Lloyd Wilson has been killed And the tenuous friendship between two lonely teenagers one privileged yet neglected the other a troubled farm boy has been shattered Fifty years later one of those boys now a grown man tries to reconstruct the events that led up to the murder In doing so he is inevitably drawn back to his lost friend Cletus who has the misfortune of being the son of Wilson's killer and who in the months before witnessed things that Maxwell's narrator can only guess at Out of memory and imagination the surmises of children and the destructive passions of their parents Maxwell creates a luminous American classic of youth and loss

William Maxwell Barbara A. Burkhardt, 2005 Best known as the longtime fiction editor at *The New Yorker* William Maxwell worked closely with greats like Vladimir Nabokov John Updike Mary McCarthy John Cheever and many others His own novels include *They Came Like Swallows* and *So Long See You Tomorrow* and have become so highly acclaimed that many now consider him to be one of the twentieth century's most important writers Barbara A. Burkhardt's *William Maxwell: A Literary Life* represents the first major critical study of Maxwell's life and work Writing with an economy and elegance befitting her subject Burkhardt addresses Maxwell's highly autobiographical fiction by skillfully interweaving his biography with her own critical interpretations She begins each chapter with commentary on the biographical circumstances and literary influences that affected each of his compositions By contextualizing his novels and short stories in terms of events including his mother's early death from influenza his marriage and the role of his psychoanalysis under the guidance of Theodore Reik Burkhardt's subsequent literary analyses achieve an unprecedented depth Drawing on a wide range of previously unavailable material Burkhardt includes letters written to Maxwell by authors like Eudora Welty and Louise Bogan excerpts from Maxwell's unpublished manuscripts and correspondence and her own interviews with key figures from his life including John Updike Roger Angell *New Yorker* fiction editor Robert Henderson and Maxwell's family and friends She also presents several lengthy sessions with Maxwell himself A must for anyone already familiar with the understated charms of Maxwell's writing this volume also represents a major addition to the growing collection of *New Yorker* lore sure to fascinate anyone interested in the fiction history and personalities connected with the most influential weekly Barbara A. Burkhardt is an assistant professor of English at the University of Illinois at Springfield A close acquaintance of Maxwell she organized his correspondence for the Maxwell archives at the University of Illinois at Urbana-Champaign library as well as writing the catalog for two exhibitions
