W. Cleon Skousen, In writing this book Dr Skousen takes considerable comfort from the fact that there are no experts on the subject of raising boys He comes about as close as anyone since he is the father of five sons and three daughters and the grandfather of fifty grandchildren In this book is his description of boyhood from birth to the

age of twenty one a portrait of physical and emotional development year by year an outline of behavior patterns and problems and how parents should react to them He considers such matters as the boy s relation to the family adjusting to school stuttering telling tales and even such everyday problems as getting a boy to clean up his room or take a bath Inevitably there will be difficult boys and with this in mind Dr Skousen gives helpful and knowledgeable advice to parents about alcohol drugs and suggested preventative measures Without preaching and with a fine sense of humor and good common sense Dr Skousen has compiled a concrete guide to raising non delinquent boys who are happy and well adjusted This eBook includes the original index illustrations footnotes table of contents and page numbering from the printed format
