Songs From Ragged Streets:

Street Songs Daniel Karlin, 2018-11-15 This book based on the Clarendon Lectures for 2016 is about the use made by poets and novelists of street songs and cries Karlin begins with the London street vendor's cry of Cherry ripe as it occurs in poems from the sixteenth to the twentieth century the Cries of London and Paris exemplify the fascination of this urban art to writers of every period Focusing on nineteenth and early twentieth century writers the book traces the theme in works by William Wordsworth Elizabeth Barrett Browning Robert Browning Walt Whitman George Gissing James Joyce Virginia Woolf and Marcel Proust As well as street cries these writers incorporate ballads folk songs religious and political songs and songs of their own invention into crucial scenes and the singers themselves range from a one legged beggar in Dublin to a famous painter in fifteenth century Florence The book concludes with the beautiful and unlikely song of a knife grinder's wheel Throughout the book Karlin emphasizes the rich complexity of his subject The street singer may be figured as an urban Orpheus enchanting the crowd and possessed of magical powers of healing and redemption but the barbaric din of the modern city is never far away and the poet who identifies with Orpheus may also dread his fate And the fugitive transient nature of song offers writers a challenge to their more structured art Overheard in fragments teasing ungraspable the street song may be captured by a literary work but is never finally tamed [Catalog of Copyright Entries. performance there are still many things we don't know about traditional song Where did the songs come from Who sang them where when and why What part did singing play in the lives of the communities in which the songs thrived More importantly have the pioneer collectors restricted definitions and narrow focus hindered or helped our understanding This is the first book for many years to investigate the wider social history of traditional song in England and draws on a wide range of sources to answer these questions and many more **The Song of the Winns: The Spies of Gerander** Frances
