A Vertical Art Simon Armitage, 2022-05-24 From the UK Poet Laureate and bestselling translator a spirited book that demystifies and celebrates the art of poetry today In *A Vertical Art* acclaimed poet Simon Armitage takes a refreshingly common sense approach to an art form that can easily lend itself to grand statements and hollow gestures Questioning both the facile and obscure ends of the poetry spectrum he offers sparkling new insights about poetry and an array of favorite

poets Based on Armitage's public lectures as Oxford Professor of Poetry *A Vertical Art* illuminates poets as varied as Emily Dickinson Walt Whitman Marianne Moore W H Auden Ted Hughes Thom Gunn A R Ammons and Claudia Rankine The chapters are often delightfully sassy in their treatment as in *Like Elizabeth Bishop* in which Armitage dissects and tallies the poet's predilection for similes He discusses Bob Dylan's Nobel Prize poetic lists poetry and the underworld and the dilemmas of translating *Sir Gawain and the Green Knight* Armitage also pulls back the curtain on the unromantic realities of making a living as a contemporary poet and ends the book with his own list of Ninety Five Theses on the principles and practice of poetry An appealingly personal book that explores the volatile and disputed definitions of poetry from the viewpoint of a practicing writer and dedicated reader *A Vertical Art* makes an insightful and entertaining case for the power and potential of poetry today

Sir Gawain and the Green Knight Michael Smith, 2018-07-26 It is New Year at Camelot and a mysterious green knight appears at King Arthur's court Challenging the knights of the Round Table to a Christmas game he offers his splendid axe as a prize to whoever is brave enough to behead him with just one strike The condition is that his challenger must seek him out in a year and a day to have the deed returned Sir Gawain accepts and decapitates the stranger only to see him pick up his head walk out of the hall and ride away on his horse Now Gawain must complete his part of the bargain search for his foe and confront what seems his doom Michael Smith's translation of this magnificent Arthurian romance draws on his intimate experience of the North West of England and his knowledge of mediaeval history culture and architecture He takes us back to the original poetic form of the manuscript and brings it alive for a modern audience while revealing the poem's historic and literary context The book is beautifully illustrated by throughout with detailed recreations of the illuminated lettering in the original manuscript and the author's own linocut prints each meticulously researched for contemporary accuracy This is an exciting new edition that will appeal both to students of the Gawain poet and the general reader alike

Rural Space in the Middle Ages and Early Modern Age Albrecht Classen, 2012-05-29 Older research on the premodern world limited its focus on the Church the court and more recently on urban space The present volume invites readers to consider the meaning of rural space both in light of ecocritical readings and social historical approaches While previous scholars examined the figure of the peasant in the premodern world the current volume combines a large number of specialized studies that investigate how the natural environment and the appearance of members of the rural population interacted with the world of the court and of the city The experience in rural space was important already for writers and artists in the premodern era as the large variety of scholarly approaches indicates The present volume signals how much the surprisingly close interaction between members of the aristocratic and of the peasant class determined many literary and art historical works In a surprisingly large number of cases we can even discover elements of utopia hidden in rural space We also observe how much the rural world was a significant element already in early medieval mentality Moreover as many authors point out the impact of natural forces on premodern society was tremendous if not catastrophic
