Reading and War in Fifteenth-century England Catherine Nall, 2012 Offers an impressive vision of a militaristic culture and its thinking reading and writing **The Paston Family in the Fifteenth Century: Volume 2, Fastolf's Will** Colin Richmond, 2002-05-16 The Paston family have long been famous for the large collection of letters and papers which bear their name However only recently have the Paston Letters been used systematically by historians of fifteenth century England they are both attractive to read and fiendishly difficult to use as source material for the historian This the second volume in Colin Richmond's individual and compelling study of the Pastons describes the bitter disputes over the will of Sir John Fastolf d 1459 which dogged the family for many years and which hold a wider significance for the law English country society and the complex politics of the fifteenth century Professor Richmond uses his mastery of the Paston documents to illuminate many obscurities surrounding the will and at the same time creates an insightful and sympathetic picture of this fascinating often troubled family *The Paston Family in the Fifteenth Century* Colin Richmond, 2000 This is the third and final volume in the trilogy by Colin Richmond on the Paston family in the 15th century completing the sequence which began with *The First Phase* and continued with *Fastolf's Will* This volume deals with the later years of the century and those topics and themes which arise at that point in the family's history The principal characters are John Paston II his younger brother John Paston III and their mother Margaret Paston Richmond deals with a variety of issues some of which have arisen in previous volumes and attempts some judgements on the role of the English gentry in the later middle ages **Arthurian Literature XVIII** Keith Busby, 2001 Epitomises what is best in Arthurian scholarship today ZEITSCHRIFT FÜR ROMANISCHE

Meale, 1994 Wide ranging essays engaging with all aspects of medieval romance from textual studies to historical sources **Gentry culture in late-medieval England** Raluca Radulescu, Alison Truelove, 2020-01-03 Essays in this fascinating and important collection examine the lifestyles and attitudes of the gentry in late medieval England They consider the emergence of the gentry as a group distinct from the nobility and explore the various available routes to gentility Through surveys of the gentry's military background administrative and political roles social behaviour and education the reader is provided with an overview of how the group's culture evolved and how it was disseminated Studies of the gentry's literacy creation and use of literature cultural networks religious activities and their experiences of music and the visual arts more directly address the practice and expression of this culture exploring the extent to which the gentry's activities were different from those of the wider population Joining the editors in contributing essays to this collection is an impressive array of eminent scholars all specialists in their respective fields Christine Carpenter Peter Fleming Maurice Keen Philippa Maddern Nicholas Orme Tim Shaw Thomas Tolley and Deborah Youngs As a whole the book offers a broad view of gentry culture that explores reassesses and sometimes even challenges the idea that members of the gentry cultivated their own distinctive cultural identity It will appeal to students looking for a comprehensive introduction to late medieval gentry culture as well as to researchers interested in gentry studies more generally **Humanism, Reading, & English Literature 1430-1530** Daniel Wakelin, 2007-06-28 Humanism is usually thought to come to England in the early sixteenth century In this book however Daniel Wakelin uncovers the almost unknown influences of humanism on English literature in the preceding hundred years He considers the humanist influences on the reception of some of Chaucer's work and on the work of important authors such as Lydgate Bokenham Caxton and Medwall and in many anonymous or forgotten translations political treatises and documents from the fifteenth and early sixteenth centuries At the heart of his study is a consideration

of William Worcester the fifteenth century scholar Wakelin can trace the influence of humanism much earlier than was thought because he examines evidence in manuscripts and early printed books of the English study and imitation of antiquity in polemical marginalia on classical works and in the ways in which people copied and shared classical works and translations He also examines how various English works were shaped by such reading habits and in turn how those English works reshaped the reading habits of the wider community Humanism thus contrary to recent strictures against it appears not as top down dissemination but as a practical process of give and take between writers and readers Humanism thus also prompts writers to imagine their potential readerships in ways which challenge them to re imagine the political community and the intellectual freedom of the reader Our views both of the fifteenth century and of humanist literature in English are transformed

The Wars of the Roses David Grummitt, 2025-06-23 The series of rebellions against royal authority and the violent clashes between aristocratic families that occurred in England between 1455 and 1487 have long been characterized as the Wars of the Roses Yet far from being a continuous period of civil war the Wars of the Roses were in fact an intermittent series of minor clashes pitched battles and sieges These occurred against the backdrop of a demilitarization of the English aristocracy in the final years of the Hundred Years War Drawing on extensive archival research and a wide ranging synthesis of the secondary literature David Grummitt here reconsiders the nature of war and the martial culture of the English in the second half of the fifteenth century He places these experiences within the peculiar legal constitutional and political culture of late Lancastrian and Yorkist England to reexamine in depth the motivation for fighting the raising and equipping of armies the experience of battle and its aftermath and the ways in which civil conflict was rationalized and memorialized These experiences are compared and contrasted to that in its continental neighbours in

an age of expanding royal authority gunpowder weapons and emergence of standing professional armies The book s conclusions offer a new interpretation of the evidence for the size of armies and scale of conflict during these years the weaponry and tactics employed and the wider importance of war chivalry and martial culture in late medieval England In so doing and by drawing on a range of new conceptual approaches in the fields of the history of emotions material culture and conflict archaeology alongside other more traditional disciplinary approaches to military history the book offers a thorough and fulsome history of the Wars of the Roses one that properly integrates war and marital culture into our understanding of the political and cultural history of fifteenth century England and late medieval European military history more generally

Christian Culture and Society in Later Catholic England ,2024-08-05 This book in memory of F Donald Logan explores different aspects of Christian culture and society in England from the twelfth to the sixteenth century Although this period has traditionally been interpreted in terms of decline and decay this excessively gloomy picture has slowly given way over the last eighty years or so to a more positive view of Christian civilization during these centuries The twenty two studies brought together here seek to build on this ongoing reassessment of Later Catholic England especially in those areas in which Professor Logan himself had done so much to deepen our understanding of Christian English society Contributors are Travis Baker Caroline Barron Nicholas Bennett Barbara Bombi Paul Brand Janet Burton James G Clark Karen Corsano Virginia Davis Charles Donahue Jr Anne J Duggan Joan Greatrex Diana Greenway Michael Haren R H Helmholtz Philippa Hoskin Henry Ansgar Kelly Frederik Pedersen Seymour Phillips Michael J P Robson Jens R hrkasten Jane Sayers R N Swanson Daniel Williman and Patrick Zutshi
