medical center s development Mother Alfred Moes persuaded Dr William Worrall Mayo to take on the hospital project Edith Graham was the first professionally trained nurse to work at the practice Alice Magaw developed a national reputation administering anesthesia in the operating rooms there Maud Mellish Wilson established the library and burnished the clinic s standing through widely distributed publications about its innovations Virginia Wright Peterson tells the stories of these and other talented dedicated pioneers through institutional records and clippings from the period introducing a welcome new perspective on the history of both Mayo Clinic and women in medicine **Primary Education** ,1912 **Journal of**
