Six Gun Pay Off

Walt Coburn

Six Gun Pay Off:

Paid Off (Western Novel) Walt Coburn, 2022-01-04 Shorty Carroway's breath came in gasps from between a pair of bruised bleeding lips His weight resting on the heaving chest of the big man under him knees jammed into the bulging muscles of that beaten man's forearms Shorty's full swung slaps jolted the swollen battered face Then the little cowpuncher's hand gripped the shock of hair and raised the big head from the sawdust covered floor Got a plenty Shorty shifted his weight to one side and a sharp roweled long shanked spur raked the ribs beneath the big man's heavy mackinaw He grinned mirthlessly into the bloodshot eyes of the heavyweight champion of the Little Rockies

British Warships in the Age of Sail, 1714-1792 Rif Winfield, 2007-12-12 The 2nd volume in this comprehensive naval history details the design and employment of British warships through the 18th century The Hanoverian dynasty that came to power with the accession of George I in 1714 inherited the largest navy in the world In the course of the century this force would see a vast amount of action against nearly every major navy reaching a pinnacle of success in the Seven Years War only to taste defeat in the American Revolution This superb reference book outlines the service history of every ship that fought for the Royal Navy in the great wars of the eighteenth century well over 2000 vessels The book is organized by Rate classification and class The technical and building data of each ship is followed by a concise summary of its career This includes commissioning dates refit periods changes of captain the stations where they served and details of any noteworthy actions in which they took part It will enable anyone to follow up a casual reference to any warship and will provide the researcher with a solid core of information on which to base further study With its unique depth of information this is a work of the utmost importance to every naval historian and general reader interested in the navy of the sailing era

British Warships in the Age of Sail, 1793-1817 Rif Winfield, 2014-09-30 The revised edition of this authoritative naval history provides a comprehensive illustrated guide to the Royal Navy of the Napoleonic Era A major contribution to naval history this third volume in Rif Winfield's *British Warships in the Age of Sail* covers every vessel that served in the Royal Navy between the outbreak of the French Revolutionary Wars and the Battle of Waterloo Revised to incorporate new research it details more than 2000 ships whether purpose built captured purchased or merely hired Providing comprehensive technical data on the ships this volume also includes commissioning dates refit periods changes of captain their stations of service as well as notes on any actions in which they took part The book is well illustrated with contemporary prints and drawings that show the wide variety of service required of naval vessels in late 18th and early 19th centuries Specially commissioned general arrangement drawings also depict the most significant classes In all it is a fitting tribute to a navy that at the zenith of its power in 1809 comprised one half of all the warships in the world

The Naval Chronicle James Stanier Clarke, Stephen Jones, John Jones, 1803 Contains a general and biographical history of the Royal Navy of the United Kingdom with a variety of original papers on nautical subjects under the guidance of several literary and professional men
