The volume explores crisis rhetoric in contemporary U S American presidential speechmaking Rhetorical leadership constitutes an inherent feature of the modern presidency Particularly during times of critical events the president is expected to react and address the nation However the power of the office also allows him or her to direct attention to particular topics and thus rhetorically create or exploit the notion of crisis This monograph examines the verbal responses of George W Bush and Barack Obama to pressing issues during their terms in office Assuming an interdisciplinary approach it illuminates the characteristics of modern crisis rhetoric The aim of the book is to show that elements of Puritan rhetoric and specifically the tradition of the jeremiad although taken out of their original context and modified to suit a modern multiethnic society can still be detected in contemporary political communication It will be of interest to students and scholars of presidential rhetoric political communication sociolinguistics and cultural studies *Words and Power* Bernadette Longo, 2021-07-26

When viewed through a political lens the act of defining terms in natural language arguably transforms knowledge into values This unique volume explores how corporate military academic and professional values shaped efforts to define computer terminology and establish an information engineering profession as a precursor to what would become computer science As the Cold War heated up U S federal agencies increasingly funded

university researchers and labs to develop technologies like the computer that would ensure that the U S maintained economic prosperity and military dominance over the Soviet Union At the same time private corporations saw opportunities for partnering with university labs and military agencies to generate profits as they strengthened their business positions in civilian sectors They needed a common vocabulary and principles of streamlined communication to underpin the technology development that would ensure national prosperity and military dominance investigates how language standardization contributed to the professionalization of computer science as separate from mathematics electrical engineering and physics examines traditions of language standardization in earlier eras of rapid technology development around electricity and radio highlights the importance of the analogy of the computer is like a human to early explanations of computer design and logic traces design and development of electronic computers within political and economic contexts foregrounds the importance of human relationships in decisions about computer design This in depth humanistic study argues for the importance of natural language in shaping what people come to think of as possible and impossible relationships between computers and humans The work is a key reference in the history of technology and serves as a source textbook on the human level history of computing In addition it addresses those with interests in sociolinguistic questions around technology studies as well as technology development at the nexus of politics business and human relations New York Times Saturday Review of Books and Art ,1970 **30 DAYS TO A MORE POWERFUL VOCABULARY** Dr. WILFRED FUNK & NORMAN LEWIS,1970

The Power of a Woman's Words Sharon Jaynes,2007-09-01 International speaker Sharon Jaynes believes that women have incredible power in their sphere of influence with the words they speak Words are one of the most powerful forces in the universe and they can be used for good or evil When God created our world He did so with words He said Let there be and it was so While our words cannot bring into existence things that are not they do have the power to build courage into a husband s life instill confidence into a child s heart fan into flames the dying embers of a friend s smoldering dreams and draw the lost to Christ This book is for every woman who desires to use her words to build up rather than tear down to encourage rather than discourage to cheer rather than jeer It is for all who desire to have more control over that mighty force called the tongue *The Book Buyer's Guide* ,1958 *The Publishers Weekly* ,1958 *Luther Life* ,1954 **The Publishers' Trade List Annual** ,1971 **India 2002: A Reference Annual** India. Six Weeks To Words Of Power Introduction

In the digital age, access to information has become easier than ever before. The ability to download Six Weeks To Words Of Power has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Six Weeks To Words Of Power has opened up a world of possibilities. Downloading Six Weeks To Words Of Power provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Six Weeks To Words Of Power has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Six Weeks To Words Of Power. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Six Weeks To Words Of Power. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Six Weeks To Words Of Power, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Six Weeks To Words

Of Power has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
