Practical Authorship James Knapp Reeve, 1905

Richard Aldington Vivien Whelpton, 2019-07-25 The story of Richard Aldington outstanding Imagist poet and author of the bestselling war novel Death of a Hero 1929 takes place against the backdrop of some of the most turbulent and creative years of the twentieth century Vivien Whelpton provides a remarkably detailed and sensitive portrayal of the writer from the age of thirty eight to his death from a heart attack in 1962 The first volume Richard Aldington Poet Soldier and Lover described Aldington s life as a

stalwart of the pre war London literary scene his experience as an infantryman on the Western Front and his postwar personal and creative crises this second volume seeks to balance the stories of Aldington s subsequent public and private lives through a careful reading of his novels poems and letters with his circle of acquaintances The ways in which Aldington s dysfunctional childhood and survivor s guilt continued to haunt him through the inter war years and beyond are masterfully untangled by an author with gifted psychological insight into her subject Volume Two covers Aldington s personal and public lives as he transformed himself from poet to novelist and from novelist to biographer and explores his debacles and triumphs particularly in the wake of his hugely controversial attack on the reputation of T E Lawrence This authoritative biography recounts the life of one of the most underrated writers of the last century **The Virginia School Journal** ,1901 Includes Official department conducted by Superintendent of Public Instruction **Maupassant and the American Short Story** Richard Fusco,2010-11-01 Maupassant and the American Short Story isolates and develops more fully than any previous study the impact of Maupassant s work on the writing of Ambrose Bierce O Henry Kate Chopin and Henry James It introduces a new perspective to assess their canons reviving the importance of many often ignored stories and in the cases of Maupassant and O Henry reasserting the necessity of studying such writers to understand the history of the genre An important moment in the history of the short story occurred with the American misreading of Maupassant s use of story structure At the turn of the century writers such as Bierce and O Henry seized upon the surprise inversion form because Maupassant s translators promoted him as championing it Only a few writers such as James and Chopin both of whom read Maupassant in French appreciated his deft handling of form more fully Their vision and the impact of Maupassant upon their fiction was largely ignored by later generations of writers who preferred to associate Maupassant and O Henry with the trick ending story This book details the origins and consequences of this misperception The book further contributes to the study of the short story genre Through an adaptation of Aristotelian concepts Richard Fusco proposes an original approach to short story structure defining and developing seven categories of textual formulas linear ironic coda surprise inversion loop descending helical contrast and sinusoidal As a practitioner of all these forms Maupassant established his mastery of the genre By studying his use of form the book asserts a major reason for his pivotal importance in the historical development of the short story Nebraska's Own Magazine ,1929 The Complete Short Stories of Edgar Allan Poe Edgar Allan Poe,2023-11-28 Edgar Allan Poe s The Complete Short Stories of Edgar Allan Poe is an anthology that encapsulates the essence of 19th century American Gothic literature This collection showcases Poe s mastery of the short story form with its intricate narratives that delve into themes of death madness and the macabre Notable works such as The Tell Tale Heart and The Fall of the House of Usher serve as haunting explorations of the human psyche characterized by Poe s rich symbolism and meticulous attention to gothic atmosphere Through a fluid blend of psychological depth and atmospheric tension Poe establishes a unique literary style that has since become a cornerstone of horror fiction and a precursor to modern

psychological thrillers A pivotal figure in American literature Edgar Allan Poe was not only a prolific writer but also a literary critic and editor whose tumultuous life experiences including personal tragedy and bouts of severe depression deeply informed his creative output Born in 1809 Poe experienced the loss of loved ones early on which fueled his dark thematic preoccupations His innovative approach to storytelling combined with his profound insights into fear and the human condition made him a trailblazer influencing future generations of writers The Complete Short Stories of Edgar Allan Poe is essential reading for those who wish to grasp the foundations of horror literature and appreciate the complexity of human emotion in literary form For both long time fans and new readers alike this collection offers a captivating journey through fear fascination and the inexplicable depths of the human soul Dive into this timeless anthology to discover why Poe remains a revered figure in the literary canon In this enriched edition we have carefully created added value for your reading experience A comprehensive Introduction outlines these selected works unifying features themes or stylistic evolutions The Author Biography highlights personal milestones and literary influences that shape the entire body of writing A Historical Context section situates the works in their broader era social currents cultural trends and key events that underpin their creation A concise Synopsis Selection offers an accessible overview of the included texts helping readers navigate plotlines and main ideas without revealing critical twists A unified Analysis examines recurring motifs and stylistic hallmarks across the collection tying the stories together while spotlighting the different work s strengths Reflection questions inspire deeper contemplation of the author s overarching message inviting readers to draw connections among different texts and relate them to modern contexts Lastly our hand picked Memorable Quotes distill pivotal lines and turning points serving as touchstones for the collection s central themes

The Writer's Digest, 1922 100 Years of the Best American Short Stories Lorrie Moore, Heidi Pitlor, 2015-10-06

Witness the ever changing history and identity of America in this collection of 40 stories collected from the first 100 years of this bestselling series For the centennial celebration of this annual series The Best American Short Stories master of the form Lorrie Moore selects forty stories from the more than two thousand that were published in previous editions Series editor Heidi Pitlor recounts behind the scenes anecdotes and examines decade by decade the trends captured over a hundred years Together the stories and commentary offer an extraordinary guided tour through a century of literature with what Moore calls all its wildnesses of character and voice These forty stories represent their eras but also stand the test of time Here is Ernest Hemingway s first published story and a classic by William Faulkner who admitted in his biographical note that he began to write as an aid to love making Nancy Hale s story describes far reaching echoes of the Holocaust Tillie Olsen s story expresses the desperation of a single mother James Baldwin depicts the bonds of brotherhood and music Here is Raymond Carver s minimalism a term he disliked and Grace Paley s secular Yiddishkeit Here are the varied styles of Donald Barthelme Charles Baxter and Jamaica Kincaid From Junot Diaz to Mary Gaitskill from ZZ Packer to Sherman Alexie these writers and stories explore the different things it means to be American
