Sketch Of The Modern Languages Of The East Indies:

A Sketch of the Modern Languages of the East Indies... by Robert N. Cust,... Robert N. Cust,1878 *A sketch of the Modern Languages of the East Indies* Robert N. Cust,1878 *A Sketch of the Modern Languages of the East Indies* Robert Needham Cust,1878 *A Sketch of the Modern Languages of the East Indies* Robert Needham Cust,2015-12-04 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe and we concur that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. **A Sketch of the Modern**

Languages of the East Indies Robert Needham Cust,2000 First Published in 2000 Routledge is an imprint of Taylor Francis, an information company. A Sketch of the Modern Languages of the East Indies Robert Needham Cust,2015-09-27 Excerpt from *A Sketch of the Modern Languages of the East Indies* Accompanied by Two Language Maps. A Classical Dictionary Of Hindu Mythology And Religion Geography History And Literature. In this work an endeavour has been made to supply the long felt want of a Hindu Classical Dictionary. The main portion of this work consists of mythology but religion is bound up with mythology and in many points the two are quite inseparable. This work will be a book of reference for all concerned in the government of the Hindus but it will be more especially useful to young Civil Servants and to masters and students in the universities, colleges and schools in India. This not only forms an indispensable book of reference to students of Indian literature but is also of great general interest as it gives in a concise and easily accessible form all that need be known about the personages of Hindu mythology whose names are so familiar but of whom so little is known outside the limited circle of savants. Times It is no slight gain when such subjects are treated fairly and fully in a moderate space and we need only add that the few wants which we may hope to see supplied in new editions detract but little from the general excellence of Mr Dowson's work. Saturday Review. Selections From The Koran Has been long esteemed in this country as the compilation of one of the greatest Arabic scholars of the time the late Mr Lane the well known translator of the Arabian Nights. The present editor has enhanced the value of his relative's work by divesting the text of a great deal of extraneous matter introduced by way of comment and prefixing an introduction. Times Mr Poole is both a generous and a learned biographer. Mr Poole tells us the facts so far as it is possible for industry and criticism to ascertain them and for literary skill

to present them in a condensed and readable form English man Calcutta Modern India And The Indians Being A Series Of Impressions Notes And Essays This edition will be found a great improvement on those that preceded it The author has taken care to avail himself of all such criticisms on particular passages in the previous editions as appeared to him to be just and he has enlarged the work by more than a hundred pages of additional matter In this volume we have the thoughtful impressions of a thoughtful man on some of the most important questions connected with our Indian Empire An enlightened observant man travelling among an enlightened observant people Professor Monier Williams has brought before the public in a pleasant form more of the manners and customs of the Queen s Indian subjects than we ever remember to have seen in any one work He not only deserves the thanks of every Englishman for this able contribution to the study of Modern India a subject with which we should be specially familiar but he deserves the thanks of every Indian Parsee or Hindu Buddhist and Moslem for his clear exposition of their manners their creeds and their necessities Times About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections

successfully any imperfections that remain are intentionally left to preserve the state of such historical works **A Sketch of the Modern Languages of the East Indies** Robert Needham Cust,1878 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company [A Sketch of the Modern Languages of the East Indies](#) ,2020 **A Sketch of the Modern Languages of the East Indies** Robert Needham Cust,1878 *SKETCH OF THE MODERN LANGUAGES* Robert Needham 1821-1909 Cust,2016-08-27 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A Sketch of the Modern Languages of the East Indies** R. Writings on India H.K. Kaul, 2017-04-07 This book first published in 1975 is a comprehensive list of all the books on India written in English before 1900. It is an invaluable reference source on India of the eighteenth and nineteenth centuries. Apart from the work of professional writers, there are the writings of a cross section of society from soldiers to scientists. We find dictionaries of obscure dialects written by government officials, descriptions of their travels by visiting clerics, homely details of everyday life by housewives as well as technical and scientific works written by scholars. *Einleitung in die Allgemeine Sprachwissenschaft (1884–1890) together with Zur Literatur der Sprachkunde Europas (Leipzig, 1887)* August Friedrich Pott, 1974-01-01 This volume contains August Friedrich Pott's *Einleitung in die Allgemeine Sprachwissenschaft* which appeared between 1884 and 1890 in F. Techmer's *Internationale Zeitschrift für Allgemeine Sprachwissenschaft* Leipzig. In addition, the volume contains Pott's *Zur Literatur der Sprachkunde Europas* Leipzig 1887, the obituary by Paul Horn Göttingen 1888, and a preface to this new edition by E. F. K. Koerner. *Trübner's record*, 1889. [Catalogue of Books in the Reading Room](#) Imperial Library, Calcutta, National Library (India), 1906. ***Bibliotheca Sanscrita, Or Catalogue of New and Second-hand Books of Sanskrit Literature*** Kegan Paul, Trench, Trubner & Co, 1891. *Introduction to the Science of Language* A. H. Sayce, 2019-07-23 First published in 1900, this is the second of two volumes of the magnum opus from pioneer Assyriologist and linguist Rev. Archibald Sayce and continues directly from the first, providing an introduction to linguistic roots, inflectional families of speech, agglutinative incorporating polysynthetic and isolating languages, comparative mythology, the science of religion, the origin of language, and the relation of language to ethnology, logic, and education. In it, Sayce was the first to emphasize the principle of partial assimilation and the linguistic principle of analogy. This 4th edition, ten years after the first, reflected on the limitations of science revealed since 1890 in an era when languages like other humanities subjects still idealised scientific approaches. Archibald Henry Sayce was one of the greatest comparative linguists of the time, being proficient in Accadian, Arabic, Cuneiform, Chinese, Egyptian, Greek, Hebrew, Hittite, Japanese, Latin, Persian, Phoenician, Sanskrit, and Sumerian. He had a good knowledge of every Semitic and Indo-European language and could write good prose in at least twenty languages. Sayce's first major contribution to scholarship was a highly significant translation of an Accadian seal, a bilingual text from which to translate cuneiform, similar to the Rosetta Stone. Here, then, no doubt the reader learns from a master of comparative linguistics.
