## Snake Eyes:

*Snake Eye* William C. Dietz, 2014-04-01 An FBI special agent finds her personal and professional lives colliding in this crime novel by a New York Times bestselling author FBI Special Agent Christina Rossi had it all for a while a loving family a career on an upward track the works Then a takedown of some eco terrorists turned unexpectedly bloody questions are being asked and the fast track is nothing but a memory as she doggedly pursues a slave labor case that might involve a Chinese mob and might be a complete bust The family went away during an ugly divorce and her ex husband s high end life with a beautiful upscale new wife has lured her daughter into a risky social circle and turned her against her mother Things are almost too good to be true when a new man in her life Jack Dexter handsome smart and very well off brings about a startlingly wonderful romance and a change in her day to day circumstances and even connects her to some information on the seemingly dead end case she won t give up Too good to be true turns out to be what s going on when a pervert s murder starts to unfold Dexter s dark secrets her case begins turning into an uncontrollable monster and her daughter s life hangs in the balance

*Snake Eyes* Hillary Monahan, 2016-12-01 Tanis Barlas is in no particular order a daughter of Lamia a snake woman a killer and a hunter collecting men to mate with her mother and continue the precious line She hates it like she hates her messed up family and everything that goes with it And now Lamia s favourite daughter has gone missing and Tanis is sent into enemy territory the snake haired gorgons whose turf starts at the edge of the swamp to find her starting a chain of events that will change every part of her life

American Snakes Sean P. Graham, 2018-02 125 million years ago on the floodplains of North America a burrowing lizard started down the long evolutionary path of shedding its limbs The 60 plus species of snakes found in Sean P Graham s *American Snakes* have this ancestral journey to thank for their ubiquity diversity and beauty Although many people fear them snakes are as much a part of America s rich natural heritage as redwoods bald eagles and grizzly bears Neither a typical field guide nor an exhaustive reference *American Snakes* is instead a fascinating study of the suborder Serpentes Brimming with intriguing and unusual stories of hognose snakes that roll over and play dead blindsnakes with tiny vestigial lungs rainbow hued dipsadines and wave surfing sea snakes the text is interspersed with scores of gorgeous full color images of snakes from the scary to the sublime

**Slave of Conviction Diary of Corruption** Roy Chauvin Retired LDWF Agent,2021-08-05 Throughout life most people have to struggle with making life s decisions These decisions not only involve the individual making the decision but also his family and in some cases the public The life of a law enforcement officer involves all three This burden is often stressful taxing one s conscience to the breaking point The individual has to rely on his family background and values instilled in him throughout his life A strong faith and belief that all has to be fair and just is viewed as an idealistic approach that everyone strives toward in making decisions To truly adopt this fairness honesty and justice philosophy in your life s decisions is extremely difficult in today s world Many choose to prostitute their convictions for their jobs money status and

power rationalizing their decisions for personal gain leaving humanity in ashes As a law enforcement officer his daily decisions directly effects his fellow man This burden is self inflicted by the individual to do the right thing or to go along with the good old boy attitude The latter accomplishes nothing and is actually looked down upon by the honest public The public truly wants a leader they can trust to carry out this honesty and justice philosophy however the public has no clue to the sacrifices that one has to make in order to achieve these goals In order for one to fulfill his mission on striving for honesty and fairness he has to become a slave of convictions Thus the partial title This title must be evaluated by the reader of the book on whether or not the main character in the book was in fact dedicated to his convictions By infusing the diary of corruption into the book title poses to the reader a decision making process in which he decides whether the diary is proof that corruption exist or all this is just the way it is and no one can change these practices The actual diaries represent a compilation of daily entries into the diaries documenting the author s daily life The author of this book does not seek the approval of his life s path but rather poses the question What would you do if you were in his shoes Walk the walk and talk the talk or acquiesce because it is too costly Fairness Honesty Justice for all I hope      **The G.I. Joe Roster** Theresa Bane,2024-08-05 The wildly popular G I Joe universe has entertained kids since the 1960s whether it be through a cartoon or an action figure As G I Joe s stories expanded so did the characters and everyone had their favorite be it Hawk and Duke fighting against evil or Cobra Commander and Destro bent on nothing less than world domination For the first time ever all the characters from the G I Joe multiverse even those from outside the U S market are gathered together in one location Presented in field guide format this book includes a history of the toy and comic lines as well as a thorough description of every action figure and character from the Cobra and G I Joe animated films comics and Hasbro authorized fan fiction With the addition of photographs from the private collection of Tommy Wyckoff this book is a must have for toy collectors and a chance for long time G I Joe fans to recapture their favorite memories
