Soffee's ethnic high leads to Princess Jasmine fantasies for example being third favourite wife to a sheik, she is cyber dating a perfect relationship until she realizes that being obedient is easier online. Then she falls for a beautiful Lebanese boy next door. Among the zils, finger cymbals and thrills of performing in moose lodges and county fairs Soffee is surprised to find happiness and true love along the way.

African Roots/American Cultures Sheila S. Walker, 2001 Africans and their descendants constituted the majority of the population of the Americas for most of the first three hundred years. Yet their fundamental roles in the creation and definition of the new societies of the New world and their significance in the development of the Atlantic world have not been acknowledged. This multidisciplinary volume highlights the African presence throughout the Americas and African and African Diasporan contributions to the material and cultural life of all of the Americas and of all Americans. It includes articles from leading scholars and from cultural leaders from both well known and little known African Diasporan communities. Privileging African Diasporan voices it offers new perspectives, data and interpretations that challenge prevailing understandings of the Americas. Its fundamental premise is that the story of the Americas can only be accurately told by including the story of the foundational roles played by Africans and their descendants in the Americas.
