Conflict of Beliefs Jacob MBUA Ngeve PhD FCAS, 2023-01-16 The book talks of strongly held beliefs and how these lead to conflicts This applies to rivaling nations as well as to individuals in competition These beliefs have been found to be influenced by the environment in which those who hold these beliefs are brought up or in the circumstances in which they find themselves A bad legacy of beliefs handed over to a new generation or to an individual in a position of authority may influence them throughout their lifespan just as colonizers handed over legacies to their colonies these subjects used the bad practices they inherited from their superiors to subjugate the individuals they in turn supervised This trickle down effect has been a negative practice which has led to enormous conflicts in societies and this in turn has had a conflictual effect on the subjects they have had to control Examples are taken from our leaders and those they have had under them It has become a vicious cycle which turns out to be a snare without an end We find that there is a civilization struggle resulting from this conflict of beliefs Overall whether negative or positive it is for a survival of the fittest My Institute Versus Me Jacob Mbua Ngeve, 2021-10-18 My Institute Versus Me is an inspirational piece for aspiring scientists which gives the steps and hurdles in becoming and working as a scientist and eventually as research manager It outlines how these stressors could be overcome or mitigated in the career of a scientist and when he is made to manage people and resources *As She Was Discovering Tigony* Olympe Bhêly-Quénou, 2017-01-01 Dorcas Keurl onan Moricet is a brilliant white geophysicist posted on assignment in Africa She falls in love with a young African man S gu n Di and enters into an extramarital affair with him In her professional work she discovers deposits of minerals of inestimable worth Reading the current age of globalization and neoliberalism as one in which the riches of Africa are again being cynically exploited by multinational companies including her own Keurl onan Moricet s views and her life gradually change As the popular resistance against the dictatorial regime in power grows she comes to play a key role in the unfolding political drama **Official Gazette of the United States**
