Alex Faraway G. F. Brynn, 2024-01-30 Only a week after a fierce battle in the abandoned scrapyard against the wicked horde of large insect bots known as The Others culminating in their destruction when the huge Mars Biosphere spaceship blasted its way out of the scrapyard Alex Faraway waits impatiently for his long missing father's promised return from that planet But Dart Alex's large robotic Guardian Dragonfly is unsure if the sinister creatures from his own past are gone for

good The robot flies regular patrols over the 100 acre scrapyard until one morning he abruptly disappears Alex goes in search of his adventurous friend unaware that the plot to invade Mars and destroy the last remaining Martians before they awaken from their hibernation Time Tombs is far from finished The battle from the previous week has only added weight to the might of The Others and has triggered the arrival in the scrapyard of an ever more powerful robot one with brutish motivation to complete the creation of a deadly machine from ten thousand years ago And now not only is Mars in their sites but Earth is as well Something new powerful and frightening is also happening to Alex Faraway with each passing day and each time he uses the strange Martian made device called a Luss His nightly dreams of an ancient people long forgotten are growing more physical in nature as the Glass Tunnels blur the immutable barrier between past and present dreams and reality The Ghosts and the Nethlins are coming And all the while the unknown rogue world the shadowy Planet X draws ever nearer to its ten thousand year close encounter with Mars What mysteries from the distant past does that strange glittering world hold *Blackland Farm; a Poem ... with ... Other Pieces* John POOLEY (of Kelmarsh.),1838 *Faye, Faraway* Helen Fisher,2021-01-26 Heartfelt and irresistible a lovely deeply moving story of loss and love and memory made real Diana Gabaldon 1 New York Times bestselling author this enchanting debut follows a woman who travels back in time to be reunited with the mother she lost when she was a child Every night as Faye puts her daughters to bed she thinks of her own mother Jeanie who died when Faye was eight The pain of that loss has never left her and that s why she wants her own girls to know how very much they are loved by her and always will be whatever happens Then one day Faye gets her heart s desire when she s whisked back into the past and is reunited not just with her mother but with her own younger self Jeanie doesn t recognize grown up Faye as her daughter even though there is something eerily familiar about her But the two women become close friends and share all kinds of secrets except for the deepest secret of all the secret of who Faye really is Faye worries that telling the truth may prevent her from being able to return to the present day to her dear husband and beloved daughters Eventually she ll have to choose between those she loved in the past and those she loves in the here and now and that knowledge presents her with an impossible choice If only she didn t have to make it *Faraway Places* Albert Trajstman,2019-02-01 Faraway Places is a collection of three novellas that goes to dark and dingy places that the faint hearted might wish are truly faraway But are they Not when you take a crazed trip with an odd ball who dreams of a faraway place while all the while he is on a slow burn to insanity Maybe he can solve the problem of living in a caravan alongside a garbage tip with a foul mouthed significant other and a companion dog That s not an easy problem to solve when you lack initiative Perhaps the frozen wastelands of pre revolutionary Russia are a change of location but still you ll find that it s that kind of faraway place where many bizarre things could be possible dogheaded people might exist a nasty con man can become a tsar and if you want to save your skin there are people you should avoid If that s not enough then waiting to be solved is the provenance of two mysterious trunks and their contents in the basement of St Petersburg s Hermitage Finally a
