Ellsworth Kalas,2015-04-15 For over 2 000 years the church has looked to the apostle Paul and his letters in order to understand and follow the Christian life Paul had his own compelling way of sharing Jesus message with others through the use of the metaphor a brief imaginative word picture that shows the same truth as a longer story From casting himself in the role of a slave to presenting the Christian as a soldier or an actor or even showing how we are vessels in the King s house Paul s gallery of enriching life changing story pictures paints for us an indelible picture of the Christian faith 10 Steps to the New Spiritual You Mike Mazzalongo, This small group series is devoted to mature Christians who want to take their Christian experience to another level of spirituality *The Pieces Fit* Bill Chipman,2011-07-29 When author Bill Chipman first became a Christian he began to devour Gods Word He wanted to understand it in a practical way How did it apply to the way he lived and thought and looked at things And how did the whole Bible all fit together The more he read the more questions he had Half a century has passed since he began his search He found answers to his questions one by one answers that gave fresh insights into familiar topics He found the answers to be practical scriptural and beautiful to reflect on They brought all the

pieces together in a way that made sense And best of all the big picture that emerged revealed that God never fails to love that He is good and never fails to do what is best and that God never lies but always stands by His Word The picture that emerged is love beyond imagination
