Drunk in the Spirit Merrill G. Greene,2025-07-15 Sloshed Hammered Doing carpet time Sipping godka Videos showing people falling down shaking and spontaneously laughing all in church If one has not grown up in the Charismatic or Pentecostal tradition the concept of being drunk in the Spirit likely seems baffling Yet in recent decades the idea of spiritual intoxication has gained traction What should we think about such odd looking manifestations Does the Bible speak of anything like this How should we discern such things In this book readers will find a sustained analysis of passages from the Bible dealing with these very topics Readers may be shocked at how trances ecstatic episodes and altered states of consciousness are indeed found within the pages of sacred Scripture some of them hidden in one s own cherished stories

The Scandal of Pentecost Wolfgang Vondey,2023-10-19 Through a systematic analysis of the conflicts emerging when the public church encounters the public world The Scandal of Pentecost argues that the public advent of the church stands in continuity with the public scandal of the incarnate and crucified Christ The book traces the contours of this scandal in the confrontation of the dominant ruling hermeneutic of authority with a Christian hermeneutic of resistance This highlights the brokenness of the human condition manifested by the church in the drunkenness of the disciples the speaking in other tongues the baptism with the Spirit the empowerment of the flesh and its public witness to a scandalized world The effects of the scandal transform both the disciples individual and communal witness and their public recognition as the church Through the lens of a symbolic hermeneutic the public witness of the church at Pentecost reveals a Christian scandal of anthropological proportions with the outpouring of the Spirit on all flesh the church emerges as the symbol of humanity

Lord, Renew Your Wonders Damian Stayne, 2017-09-01 At the beginning of the Second Vatican Council Blessed Pope John XXIII offered a prayer asking the Holy Spirit to Renew your wonders in our time as though for a new Pentecost The rediscovery of the charismatic gifts by ordinary Catholics throughout the world was an answer to that prayer Damian Stayne who is known internationally for his healing ministry shows readers how the spiritual gifts of prophecy healing and deliverance were used by Jesus the early Church and the saints and why we need them operating in the Church today He provides not only amazing stories of God's presence and work in our time but also a host of practical instructions on how to grow in these gifts This book is both inspiring and a challenge to Catholics to be open to the gifts of the Spirit in order to bring others to Christ

Catholicism and the Spirit Stephen Ebo Annan, 2018-02-22 The resurgence of Pentecostal charismatic Christianity epitomized in the global South has thrown Catholicism back on itself and has challenged it to reassess its ecclesial self understanding The Catholic Church has been accused of having forgotten the Spirit Despite the progress made by the Catholic Church to redress this so called pneumatological deficit it nonetheless remains the case that Roman

Catholicism and charismatic Christianity seems to be mutually exclusive Why and how does the Roman Catholic Church today still lack a fully developed pneumatological charismatic ecclesiology Catholicism and the Spirit sets out to address such questions and argues that the Church must overcome its ultraconservatism and re envision a robust Spirit led ecclesiology to meet the demands of ecclesial renewal

Christian Peoples of the Spirit Stanley M. Burgess, 2011-07-25 Among all groups in Christendom the Pentecostal Charismatic movement is second in size only to the Roman Catholic Church with growth that shows no signs of abatement Its adherents declare the Pentecostal Movement which began at Azusa Street in 1906 to be unprecedented in Christian history since the first century of the Church in its embrace of manifestations of the Holy Spirit such as divine healing miracles and speaking in tongues Yet although it may be unprecedented in size and rate of growth Stanley M Burgess argues that is hardly unprecedented in concept In *Christian Peoples of the Spirit* Burgess collects documentary evidence for two thousand years of individuals and groups who have evidenced Pentecostal charismatic like spiritual giftings worship and experience The documents in this collection bolstered by concise editorial introductions offer the original writings of a wide variety of peoples of the spirit from Tertullian and Antony of the Desert to the Shakers and Sunder Singh as well as of their enemies or detractors Though virtually all of the parties in this volume considered themselves Spirit gifted or given special qualities by God they are in many ways as different from one another as the cultures from which they have emerged In providing such an impressive array of voices Burgess convincingly demonstrates that there have indeed been Spirit filled worship and charismatic saints in all periods of church history
