It is one of the most acclaimed Russian novels of the 19th century **Fathers and Sons** Ivan Sergeyevich Turgenev,2017-02-25 The novel which is here presented Fathers and Sons was published first in 1861 in the Russian Messenger a Moscow review and subsequently in book form A tempest was raised in Russia by its appearance passionate criticisms calumnies and virulent attacks abounded Russians are not the least susceptible people in the world and a true picture of two generations of any society would scarcely please those whose portraits were drawn Each generation found the picture of the other very life like but their own very badly drawn The fathers protested and the sons were enraged to see themselves personified in the positive Bazarof Yet some the party of action were proud of the appellation of nihilists and chose it as their watchword even these however were indignant at the human weakness and susceptibilities with which Bazarof had been endowed by the author The Government took up the word and used nihilism to stigmatize all revolutionary and ultra democratic and socialistic tendencies and we have seen it play its part in the recent investigations into the attempted assassination of the Emperor Of course the more the book was abused the more it was read Its success has been greater than that of any other Russian book It has therefore been selected as the best specimen of modern Russian literature to present to the American public **Fathers and Sons** Ivan Sergeevich Turgenev,2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Fathers and Sons Иван Сергеевич Тургенев,1994 When a young graduate returns home he is accompanied much to his father and uncle s discomfort by a strange friend who doesn t acknowledge any authorities who doesn t accept a single principle on faith Turgenev s masterpiece of generational conflict shocked Russian society when it was published in 1862 and continues today to seem as fresh and outspoken as it did to those who first encountered its nihilistic hero *Fathers and Sons Annotated And Illustrated Book* Ivan Sergeyevich Turgenev,2020-09-29 The story starts on the 20th of May 1859 when Nikolai Kirsanov the son of a Russian general waits for the arrival of his son The reader is provided with some biographical information about Nikolai Kirsanov and it is revealed that he was raised in South and has another brother named Pavel Nikolai was supposed to follow a career in the military but because he broke his leg on the day he was commissioned his father sent him to

Petersburg and enrolled him into a University Nikolai remained there for a few years and in the in the year when Nikolai finished his studies his father had a stroke and died and his mother followed shortly after Nikolai married with his landlord's daughter and had one son together named Arkady Ten years after their son's birth Nikolai's wife also died and Nikolai raised his son alone Nikolai accompanied his son to Petersburg instead and enrolled him in the University of Petersburg But because Nikolai was getting older he was forced to return to his home to his countryside and wait for his son to return home The story then returns to the present time when Nikolai keeps on watching the road until he sees a carriage carrying his son so he runs to greet him Arkady doesn't come alone but with his friend Bazarov and they all get into carriages and head toward Nikolai's house On the way home Arkady asks about his uncle Pavel but his father tells him that Pavel sent word that he changed his mind at the last minute and didn't come to see him Next they talk about Bazarov and Arkady praises him and his intelligence When they pass by some peasants Nikolai tells his son that they have been refusing to pay their taxes but Arkady cuts him off more preoccupied if they will have shade or not once they arrive Our Father's Sons Leon Hoskins, 2019-12-15

Fathers and Sons J. Brannen, 2016-04-30 This book explores how masculinities and fatherhood are transmitted across family generations of white British Irish and Polish fathers Providing unique insights into men's lives migration employment father-son relationships and intergenerational transmission it offers a rich methodological story of how intergenerational research is done **Fathers and Sons** Ivan Turgenev, 2001-11-13 When *Fathers and Sons* was first published in Russia in 1862 it was met with a blaze of controversy about where Turgenev stood in relation to his account of generational misunderstanding Was he criticizing the worldview of the conservative aesthete Pavel Kirsanov and the older generation or that of the radical cerebral medical student Evgenii Bazarov representing the younger one The critic Dmitrii Pisarev wrote at the time that the novel stirs the mind because everything is permeated with the most complete and most touching sincerity N N Strakhov a close friend of Tolstoy and Dostoevsky praised its profound vitality It is this profound vitality in Turgenev's characters that carry his novel of ideas to its rightful place as a work of art and as one of the classics of Russian Literature
