Stealing Innocence Youth Corporate Power And The Politics Of Culture:

Stealing Innocence NA NA,2016-04-30 Continuing his ongoing social critique Henry Giroux now looks at the way corporate culture is encroaching on the lives of children by exploring three myths prevalent in our society that the triumph of democracy is related to the triumph of the market that children are unaffected by power and politics that teaching and learning are no longer linked to improving the world Looking at childhood beauty pageants school shootings and the omnipresent nihilistic chic of advertising Giroux paints a disturbing picture of the world surrounding our children Ultimately he turns to the work of Antonio Gramsci Paulo Freire and Stuart Hall for lessons about how we can reinstitute a realistic childhood for our children *Stealing Innocence* Henry A. Giroux,2001

Education as Enforcement Kenneth J. Saltman,David Gabbard,2003 The first book to bring together noted scholars to address how education is being remade by the violent demands of corporate globalization as well as how education is central to the global pursuit of corporate dominance

Sexual Abuse in Youth Sport Michael J. Hartill,2016-10-14 Cases of sport related child sexual abuse have received increasing news coverage in recent years This book documents and evaluates this important issue through a critical investigation of the research and theory on sexual violence and child sex offending that has emerged over the past thirty years Based on life history interviews with male and female survivors of child sexual abuse in sport this text offers a deeper appreciation for the experiences of those who are sexually victimized within sports and school sport settings Drawing on a wide range of sources it also provides a new theoretical framework through which child sexual abuse in sport may be explored Offering a critique spanning psychology sociology and criminology this book challenges existing theories of sex offending while advocating an alternative epistemology to help better understand and address this social problem Presenting an original sociological approach to this field of study Sexual Abuse in Youth Sport is important reading for any researcher policy maker or practitioner working in youth sport physical education sports coaching sport policy child protection or social work

Education and Cultural Citizenship Nick Stevenson,2011-05-12 Nick Stevenson skilfully draws upon a welter of leading thinkers from the liberal socialist critical theory and multiculturalist canons in developing his argument that leading ideas about education are umbilically tied to notions of the good society The pluralistic and undogmatic manner in which he sifts these accounts and his insistence upon the centrality of democratic citizenship make this a timely and important contribution to current debates about the nature and purpose of schools Michael Kenny University of Sheffield In Education and Cultural Citizenship Nick Stevenson presents a powerful argument concerning how education can and should promote democracy accompanied by critiques of how all too often education fails to do so Full of strong ideas arguments engagement with key thinkers Stevenson s book should be of great interest to all concerned with the nexus of democracy and education Douglas Kellner UCLA This dynamic book systematically brings together the major developments in the social and political theory of education It offers a global introduction to the major debates within the field and provides a sustained argument for

a democratic and normative view of education Nick Stevenson provides a comprehensive view of the major disputes within social cultural and political approaches to education Drawing upon varied critical traditions the book helpfully connects these diverse threads of debate whilst exploring the work of key theorists Areas explored include democratic notions of education cosmopolitanism multiculturalism pragmatism critical pedagogy democratic socialism liberalism politics of fear Clearly written and passionately argued this book will be essential reading for all those interested in exploring education s changing place in society

Strange Love Robin Truth Goodman, Kenneth J. Saltman, 2002 Seeks to answer the question of how varied cultural forms in this case curricula multicultural literature and popular films educate the public ideologically Interrogates the relationship between the political economy of globalization and the new human rights imperialism and the cultural politics that educate the public into complicity with it through such narratives as family war politics privatization and innocence Introduction
