Edward Elgar rose from obscurity to become the most popular English composer of his day Elgar s music is known world wide and works such as the Enigma Variations and The Dream of Gerontius together with the two symphonies and the two concertos have established him as one of the greatest British composers of all time The Elgar Society was founded in 1951 to further the cause of Elgar s music and the present volume of essays has been compiled as an expression of gratitude for the work that it has done These essays reflect the variety and richness of Elgar s music and the debate that this music continues to encourage The book is not simply for academics however lovers of music in general will find much to entertain them and it will add greatly to our appreciation of Elgar      *Arnold Schoenberg Letters* Arnold Schoenberg,1987-01-01

Background notes about each stage of his life and career accompany Schoenberg s letters to artists intellectuals and fellow composers      The Life and Death of Rochester Sneath Humphry Berkeley,2009-06-26 H Rochester Sneath no longer exists And if you wished to put your son s name on the waiting list for Selhurst School near Petworth

Sussex you might have a little difficulty It doesn t exist either But as this collection of Sneath s letters and the replies proves you can fool most of the people most of the time Particularly it seems if the people happen to be the head masters of those most English private institutions public schools In early 1948 Sneath began his brief and glorious career Letters like canes mortarboards and jaundiced rugger balls began to appear in headmasters offices whose occupants with two notable exceptions appeared to find nothing strange in Sneath s requests or his exhortations Pompous indignant eccentric pushing toadying or just plain dotty the letters were answered with a seriousness which is barely credible For he wrote of infestations of rats the possibility of engineering Royal visits how to hire a private detective junior masters with club feet and warty noses ghosts cricket statues new buildings monster reunions George Bernard Shaw was puzzled Sir Giles Gilbert Scott was booked up as was Sir Adrian Boult Sir William Reid Dick was eager After four or five letters the Master of Marlborough became exasperated while the head master of St Benedict s was livid A certain master displayed a cupidity not normally associated with men of the cloth the new Master of Rugby was grateful for some wise advice the head master of Stowe could not have been more helpful about sex There was talk of Sneath succeeding the headmaster of Eton One head master was so drawn to Sneath that he recommended Selhurst to a prospective parent who promptly applied for a place on behalf of her son His

name was placed on the waiting list for the Waiting List Sneath's letters comprise a gentle and unmalicious but devastatingly accurate parody of the public school system a collection so intelligently absurd that it defies adequate description *Music and Friends* Adrian Boult, 1979 A conductor is the most public of musicians for he depends entirely on the response of others The career of Sir Adrian Boult is a virtual history of music in the twentieth century This anthology of letters looks at the history through the eyes of those who helped make it Letters from Elgar show the recognition of a chosen interpreter Vaughan Williams and Holst share working details of a composer's life The long correspondence with Bruno Walter ripens before the darkening sky of world events In the 1960s and 1970s the affectionate friendship of the Menuhins speaks for music and friends throughout the world The background is a rich tapestry There are letters from Parry Stanford Delius Bantock Ireland Bax Bliss Walton Tippett and Malcolm Williamson at home from Sibelius De Falla Franz Lehár Hindemith and Alan Berg abroad Among Boult's colleagues on the performing platform whose correspondence is included are Toscanini Henry Wood Bernard Haitink Gervase Elwes Casals Schnabel Solomon Emil Gilels and Paul Tortelier And there are letters from the great musical scholars of his time Sir Donald Tovey E J Dent E H Fellowes Nadia Boulanger These letters of friends are set off with extracts from Adrian Boult's writings and interviews showing vivid pictures of his work as musician and teacher at Oxford early in the century at the Royal College of Music as Director of Music for the BBC through twenty crucial years and finally as the elder statesman of British music Dust jacket *THE ORCHESTRA.
