My Sister's Keeper Jodi Picoult, 2007-01-19 New York Times bestselling author Jodi Picoult tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness New York Times bestselling author Jodi Picoult is widely acclaimed for her keen insights into the hearts and minds of real people Now she tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness Anna is not sick but she might as well be By age thirteen she has undergone countless surgeries transfusions and shots so that her older sister Kate can somehow fight the leukemia that has plagued her since childhood The product of preimplantation genetic diagnosis Anna was conceived as a bone marrow match for Kate a life and a role that she has never challenged until now Like most teenagers Anna is beginning to question who she truly is But unlike most teenagers she has always been defined in terms of her sister and so Anna makes a decision that for most would be unthinkable a decision that will tear her family apart and have perhaps fatal consequences for the sister she loves *My Sister's Keeper* examines what it means to be a good parent a good sister a good person Is it morally correct to do whatever it takes to save a child's life even if that means infringing upon the rights of another Is it worth trying to discover who you really are if that quest makes you like yourself less Should you follow your own heart or let others lead you Once again in *My Sister's Keeper* Jodi Picoult tackles a controversial real life subject with grace wisdom and sensitivity ***My Sister's Keeper*** Kerry Duke, 1999-01-01

My Sister's Keeper Jodi Picoult,2008-03 A major decision about me is being made and no one s bothered to ask the one person who most deserves it to speak her opinion The only reason Anna was born was to donate her cord blood cells to her older sister And though Anna is not sick she might as well be By age thirteen she has undergone countless surgeries transfusions and shots so that her sister Kate can somehow fight the leukemia that has plagued her since she was a child Anna was born for this purpose her parents tell her which is why they love her even more But now that she has reached an age of physical awareness she can t help but long for control over her own body and respite from the constant flow of her own blood seeping into her sister s veins And so she makes a decision that for most would be too difficult to bear at any time and at any age She decides to sue her parents for the rights to her own body
