R. Denman,V. F. Stewart,2023-07-26 Originally published in 1959 this post war study of farm rents marshals the evidence from a nation wide survey Not since the National Farm Survey of 1941 3 had similar information about the national average level of farm rents been available In certain details and aspects of its scope this study was unique What was analysed tabulated and commented upon was of vital importance to the farming and landowning communities of immediate relevance to professional practice and original in its contribution to academic knowledge Attention was focussed on the farm rents of England and Wales over the post war period but comparison with war time and pre war farm rents in Scotland was possible **The Solitary Farm** Fergus Hume,2020-07-20 Reproduction of the original *The Solitary Farm* by Fergus Hume **The Book of the Farm** Henry Stephens,1855 **The Red Court Farm** Mrs. Henry Wood,1897 **Sunset over Happy Farm** Mark Thomas McDonough,2019-04-17 On the surface Derrick James is a mild mannered socially awkward attorney who works a modest federal government job While Derrick lacks any particular legal acumen or academic prowess and possesses modest legal writing skills everywhere he goes and whatever he does Derrick inevitably and always makes his way to the top of the pyramid Possessing an unflappable mental skill set and seldom suffering fools lightly he accomplishes what needs to be done and he does it superbly well much to the chagrin of his peers In the twilight of his legal career Derrick finds himself working in perhaps one of the most boring brain numbing federal legal jobs one can possibly imagine but it s inside work no heavy lifting and the pay is pretty good too Finally Derrick relaxes satisfied with who he and where he is Life reaches a comfortable working rhyme Both daughters are in college After many down years he is finally setting aside some extra money for retirement Life is good that is right up to the very moment that a group of jealous federal supervisors and co workers ban together forcing him to accept a forced early retirement Now having abundant free time Derrick travels the world begins a get out of debt project and ponders how he got to here In doing all of this he constantly runs into the ghosts of his past most of which is rooted in his ill fated youth spent growing up in a Catholic Orphanage which he facetiously nicknames The Happy Farm Within the realm of his forced retirement and even as life s ghosts taunt him Derrick finds that truth and hindsight are not necessarily friends but with enough time and grit he finds that by accepting his past he can finally accept his present and in doing so he finally says good bye to all the enemies all the friends and all the ghosts that haunt him as the sun sets over The Happy Farm **Report on the Farm Labor Transportation Accident at Chualar, Calif., on September 17, 1963** United States.
