R. George, 2019 When Donald Trump was married to his first wife Ivana Ivana Zeln ckov in 1977 the family minister who officiated the wedding was the preacher and author of *The Power of Positive Thinking* Norman Vincent Peale Perhaps more than any other figure in American public life in the last decade Donald Trump has been able to reimagine Peale s message of positive thinking to his political advantage I never think of the negative he said after the opening of Trump Tower in 1983 Both Trump and Peale have appealed to people who like themselves have felt marginalized by an intellectual and cultural elite Peale s 1952 book which helped to drive the religious revival of the 1950s remains a perennial bestseller and has affected the lives of a vast public in the United States and around the world In *God s Salesman* Carol V R George used interviews with Peale himself as well as exclusive access to his manuscript collection to provide the first full length scholarly account of Peale and his highly visible career George explores the evolution of Peale s message of Practical Christianity the belief that when positive thinking was combined with affirmative prayer the technique of imaging and purposeful action the result was a changed life It was a message with special appeal for many in the post War middle class struggling to rebuild their lives and have a voice in society George examines the formative influences on Peale s thinking especially his devout Methodist parents his early exposure to and then enthusiastic acceptance of Ralph Waldo Emerson and William James and his almost instinctive attraction to evangelicalism particularly as it was manifested politically Twenty five years after its initial publication and with a new foreword by Kate Bowler *God s Salesman* remains a timely portrait of the man and his movement and the vital role that both played in the rethinking and restructuring of American religious life over the last seventy years      The Winners' Secret: Attitude Rev. Nana Kwame Anane, 2008-02-13 Are you in the verge of giving up Do you want to start all over again Are you looking for inner peace Do you feel hopeless and restless Or do you want to live your fullest potential in this life Banish those thoughts and begin to discover the keys to constant victory in every area of your life *The winners secret Attitude* is a book for the young and old happy or sad rich or poor christians and non christians it is about your attitude It is based on a careful observation under the inspiration of God about the people God used as his servants in the bible These people like Moses Elijah Peter Paul and others possessed some similar qualities and characteristics that made them winners in whatever they did These characteristics are needed by us if we want to be on top in life This book draws your attention to them and inspire you to move out of your comfort zone and attain greater things with your life because God wants you to be a winner too and be empowered by the Holy Spirit to do his work all you need to do is to know what he requires of you DigStation Indie Music Downloads onclick this select      **A Nation at Risk** Peter Wuteh Vakunta, 2012-08-02 *A Nation at Risk* A Personal Narrative of the Cameroonian Crisis should be construed as a requiem for

what used to be known as the Republic of Cameroon The overriding objective of this book is to shine the searchlight on the dysfunctional government of Cameroon under President Paul Biya a minuscule man and matching mind endowed with a gargantuan ego Those who wish to comprehend the apocalypse toward which the Cameroonian nation has been propelled by the rogue government of Mr Biya would do well to study the minds of the men at the helm Mr Biya and his henchmen enjoy playing at and for power The politics of power is for them an act of intellectual masturbation Even the diabolism inherent in the phenomenon of power is something they relish In Nation at Risk Peter Wuteh Vakunta a prolific writer in his own right has successfully pieced together a compelling narrative of the many facets of the crisis that has plagued Cameroon during the more than three decade presidency of Mr Paul Biya Lucid and captivating this landmark volume provides a seminal contribution to readers appreciation of the social political economic and cultural events that have shaped Cameroons history from the time of independence from colonial masters to date Vakuntas penetrating analysis of the lackluster governmental modus operandi of President Biya is a must read for all Cameroonians and friends of Cameroon who feel deeply about the future of this often forgotten African nation Dr Peter Ngwafu Ajongwa Associate Professor     *Lean Six Sigma For Dummies* John Morgan, Martin Brenig-Jones, 2010-11-18 With the growing business industry there is a large demand for greater speed and quality for projects of all natures in both small and large businesses Lean Six Sigma is the result of the combination of the two best known improvement methods Six Sigma making work better of higher quality and Lean making work faster more efficient Lean Six Sigma For Dummies outlines the key concepts in plain English and shows you how to use the right tools in the right place and in the right way not just in improvement and design projects but also in your day to day activities It shows you how to ensure the key principles and concepts of Lean Six Sigma become a natural part of how you do things so you can get the best out of your business and accomplish your goals better faster and cheaper About the author John Morgan has been a Director of Catalyst Consulting Europe s leading provider of lean Six Sigma solutions for 10 years Martin Brenig Jones is also a Director at Catalyst Consulting He is an expert in Quality and Change Management and has worked in the field for 16 years     Laughter and Ridicule Michael Billig, 2005-10-03 From Thomas Hobbes fear of the power of laughter to the compulsory packaged fun of the contemporary mass media Billig takes the reader on a stimulating tour of the strange world of humour Both a significant work of scholarship and a novel contribution to the understanding of the humorous this is a seriously engaging book David Inglis University of Aberdeen This delightful book tackles the prevailing assumption that laughter and humour are inherently good In developing a critique of humour the author proposes a social theory that places humour in the form of ridicule as central to social life Billig argues that all cultures use ridicule as a disciplinary means to uphold norms of conduct and conventions of meaning Historically theories of humour reflect wider visions of politics morality and aesthetics For example Bergson argued that humour contains an element of cruelty while Freud suggested that we deceive ourselves about the true nature of our laughter Billig discusses these and other theories while using the topic of

humour to throw light on the perennial social problems of regulation control and emancipation      **Out of Context** Richard L. Schultz, 2012-11-01 Although 92% of American households own at least one Bible their use of the Bible varies significantly Only 59% of Americans read the Bible at least occasionally and an even smaller percentage go beyond merely reading the Bible and actually study it It is no wonder that even those who say they read the Scriptures often don't understand them Veteran Bible professor Richard L Schultz believes the misinterpretation and misapplication of biblical texts amounts to a crisis of interpretive malpractice In *Out of Context* he seeks to explain how biblical interpretation goes wrong and how to get it right He introduces readers to the important concepts of context word meaning genre and the differences between the world of the Bible and our own Readers who delve into the fascinating world of biblical interpretation found in this book will find their Scripture reading enhanced and be enlightened by Schultz's powerful and ultimately positive message      **The Ex-offender's Job Hunting Guide** Ronald L. Krannich, 2005 While many employers may not want to hire someone with a criminal record others are willing to give ex offenders a second chance and help them get back on their feet and move ahead with their lives Indeed we live in a society that both admires and supports people who can pick themselves up change their lives and go on to achieve their dreams But what should ex offenders do in order to land a good job Where should they go to find a job they do well and enjoy doing Here's the book that provides important answers to many re entry questions facing ex offenders Beginning with an examination of 20 myths realities and 22 principles for success two of America's leading employment experts reveal 10 steps to job and career success Examine and change your attitudes Conduct research on jobs and communities Seek assistance and become proactive Write effective resumes and letters Select appropriate job search approaches Network for information advice and referrals Assess your skills and identify your MAS Develop winning job interview skills State a powerful objective Negotiate salary and benefits like a professional A final chapter goes one step further in examining what to do once you've landed the job how to survive and prosper on the job as well as advance your career Rich in insights and filled with practical examples exercises and resources here's the book that can make a big difference in the lives of ex offenders Follow each step and you'll begin meeting employers who will want to hire you because of your unique talents and your new attitudes and motivations You will find a job that you both do well and enjoy doing

**The A to Z of Bosnia and Herzegovina** Ante Cuvalo, 2010-04-08 Diversity has always been at the heart of Bosnia and Herzegovina's character even its dual name and physical geography display a particular heterogeneity The medieval Bosnian state never enjoyed lasting political and ideological unity as its feudal regional and religious rifts pulled at the country's seams Furthermore because of its location and by a quirk of history three major world religious and cultural traditions Catholicism Islam and Orthodoxy became cohabitants in this small Balkan country Recently the rebirth of its statehood has been exceptionally bloody and its diversity has been shaken Even 11 years after the guns were silenced the country is still under the benevolent protection of the international community whose officials are keeping the state building process in

perpetual suspense with no final result in sight The A to Z of Bosnia and Herzegovina sheds light on the uncertain situation Bosnia and Herzegovina faces while providing essential background information This is accomplished through a chronology an introduction a bibliography and more than 300 cross referenced dictionary entries on individual topics spanning Bosnia and Herzegovina s political economic religious and social system along with short biographies on important figures

**No One Will Hire Me!** Ronald L. Krannich, Caryl Rae Krannich, 2004 It s no secret finding a job is often tough and frustrating work Indeed after a few weeks of responding to classified ads surfing the Internet and applying for jobs many job seekers experience numerous rejections and thus conclude No one will hire me Worst of all they begin to lose their most important assets their self esteem motivation and enthusiasm while continuing a seemingly fruitless job search More often than not the problem of finding a job lies close at hand Not surprisingly the frustrated job seeker is often his or her own worst enemy Outlining 15 key mistakes most job seekers frequently make two of America s leading career experts provide a wealth of information and advice on how to quickly transform an ineffective job search into one that results in job interviews and offers Each chapter identifies a major mistake and then offers analyses self tests exercises and resources for avoiding the error In today s highly competitive job market where employers are demanding greater evidence of performance based on past patterns of accomplishments No One Will Hire Me offers a refreshing new look at a variety of issues affecting millions of job seekers each year Insightful practical and jam packed with user friendly resources the book shows how to organize an effective job search that out shines the competition Best of all the book dares to address one of today s most important issues why and how individuals must change career limiting habits that work against their best interests This book is a unique roadmap for anyone wanting to plan and implement an effective job search in what might otherwise turn out to be a sea of rejections Book jacket
