Apache Devil Edgar Rice Burroughs, 2022-08-01 In *Apache Devil*, Edgar Rice Burroughs delves into the Western genre with a nuanced touch that subtly dismantles the archetypal frontier narrative. This work offers readers an intimate glimpse into the life and struggles of its Apache protagonist, imbuing the tale with a rich pathos seldom achieved in early twentieth-century Westerns. Burroughs deploys a dynamic storytelling style that merges swashbuckling action with cultural introspection, set within a textured literary context that challenges the era's pervasive stereotypes and simple moral dichotomies. His narrative craftsmanship is on full display, weaving a story that holds resonance to the contemporary reader while remaining a product of its time. nEdgar Rice Burroughs, widely known for his creation of Tarzan of the Apes and John Carter of Mars, embarks on a starkly different journey in *Apache Devil*. His oeuvre frequently explored the theme of the noble outsider, and this novel is no exception. It reflects Burroughs' fascination with untamed landscapes and societies at the fringes of civilization. One might speculate that his time as a cavalryman for the 7th U.S. Cavalry, as well as his profound interest in historical narratives, heavily influenced the deft characterization and authenticity found within this novel's pages. n*Apache Devil* is recommended to readers who seek an adventurous sojourn into the Western frontier yet crave the depth of character and societal examination typically reserved for literary fiction. Burroughs' work here eschews the formulaic and embraces complexity, promising an enriching experience for those who appreciate works that transcend their genre roots to achieve something resembling art. It endures as a testament to Burroughs' versatility as an author and remains a compelling entry in the chronicle of human heritage and classic world literature.

What Our Dad Told Me . . . Before I Killed Him Patrick Berlinger,2017-06-28 What Our Dad Told Me Before I Killed Him is both a biography of my dad as well as an autobiography about myself along with our immediate family relatives and many friends It focuses on how our good Christian positive family went downhill from 1979 all the way through current times It heavily involves a demon named Abaddon who convinced our dad that he Abaddon was an angel who gave our dad a ministry of judging other people for the sins in their lives including the judgment of death by praying for people s deaths but then even killing many people himself with guns when God didn t kill them And that ultimately meant our family ourselves But when our dad started to kill our mom I ended up killing him But then I was sent to prison for that and so I also wrote about the legal system being in prison for several years I also followed all of that up with seeing our dad again years later delving and mulling about whether that was spiritual answers or just mental problems of my own So be it
