Navigating Life's Sling Shots & Leading from Within Dr. Lateshia Woodley, 2021-05-23 This project was birth out of the desire to bring awareness to the plight of women in leadership The concept of the sling shot is used as a metaphor for life When we think of a sling shot we think of a toy sometimes used to teach students about physics In this book the concept of the sling shot provides the premise that all the negative situations we face in life act as sling shots Although being pulled and stretched by people and situations can be viewed as negative during the experience in retrospect it can be viewed as preparation designed to maximize our impact and influence The amazing thing about this concept is that upon Breaking Free from the Grip of Life Sling Shots just like the ball in a sling shot experiment one's life has the opportunity to propel at a high rate speed toward one's destiny and the individual is provided the opportunity to achieve at levels that seem impossible to

others The challenge is how to maintain one's moral and ethical values when faced with the adversity of dealing with Life's Sling Shots

On Main Street Prudence Hatch McMann, 2000 *On Main Street* illuminates the lives of people from earlier generations who influenced the author The book captures the essence and innocence of a Maine town when communities were more insular and self-sufficient While the individual events are those of Dexter they reflect an era of great change in America The stories universal themes combine the child's sense of wonder with the adult's observations and experience *On Main Street* is about change and loss connections and ironies nostalgia and realities It is told with subtle self-deprecating humor new found wisdom and insight This book will be enjoyed by an audience spanning several generations *On Main Street* celebrates the lives of the author's family members a grandfather who is known for his egocentricities and eccentricities his children who grew up in two very different worlds and a great aunt whose strength of character shines through This book also details the lives of ordinary people and unusual characters in the community from Louis Chabot who worked the looms at Amos Abbott Woolen Mill to Jere Abbott son of the mill owner who became a co-founder of the Museum of Modern Art in New York City and a benefactor of Colby College's art museum

[The Face of the Fox](#) Frederick O. Gearing, 2017-07-28 In *The Face of the Fox* an anthropological and sociological study of the Fox American Indians the Mesquakie their actual tribal name who live just outside Tama Iowa Frederick Gearing puts a face on the peoples of this tribe In doing so Gearing particularly deals with the estrangement of the Fox Indians and the Westerners surrounding them He defines the concept of estrangement as including feelings of contempt indifference and pity often leading to misplaced hurt and hate on both sides Specifically he states that when one is estranged he is unable to relate because he cannot see enough to relate to which is a type of social disconnect Estrangement shackles both parties leaving them unable to connect with one another Finding this is more of a cognitive mental processing problem Gearing proposes gaining control of the mind believing the opposite of being estranged is to find a people believable and real The way to do this is to educate each estranged group about the other and put a face on each group Educating Westerners about the Fox people they live next to Gearing describes their community their social structure their culture their language and some of its many meanings and their view of themselves and how they view their future Attempting to end estrangement and engender endearment and understanding *The Face of the Fox* will be of interest to anthropologists and sociologists focusing on the American Indian
