The Achilles Affair:

The Achilles Affair Berkely Mather, 1968 **The Achilles Affair** Berkely Mather, 1979-10 *The Achilles Affair. [A Novel.]* Berkely MATHER (pseud.), 1959 **The Atlas of African Affairs** Ieuan L.I. Griffiths, 2013-06-17 The Atlas of African Affairs is divided into five sections dealing with environmental historical political and economic issues and with Southern Africa Throughout the book presents an interdisciplinary integrated perspective on African affairs Most of the chapters deal with continent wide themes and are illustrated by maps of Africa as a whole drawn to a standardised outline of the same map projection and scale Other chapters often by way of example discuss parts of the continent or individual countries and are illustrated with appropriate maps The basic format of integrated text and maps is supplemented by guides to further reading at the end of each section as well as a series of detailed statistical tables at the end of the book

Hearings, Reports and Prints of the House Committee on Veterans' Affairs United States. Congress. House. Committee on Veterans' Affairs, 1967 **Governance in World Affairs** Oran R. Young, 2018-05-31 In this book Oran Young extends and generalizes his earlier work on international environmental regimes to present a comprehensive account of the current status and future prospects of regime theory as a way of thinking about governance in world affairs Young organizes his assessment around two overarching issues The first emphasizes the idea that regimes are dynamic systems An understanding of regime formation is thus a springboard for inquiries into the effectiveness of these arrangements once they become operational and into the processes through which regimes change over time The second stresses the importance of fostering a dialogue between scholars who espouse distinct ways of thinking about international institutions the collective action perspective arising from the fields of economics and public choice and the social practice perspective associated with the fields of sociology and anthropology Within this framework the book offers cutting edge contributions regarding the tasks institutions perform the effectiveness of regimes institutional change and linkages among distinct regimes *Department of Veterans Affairs Information Technology Program* United States. Congress. House. Committee on Veterans' Affairs.

Subcommittee on Oversight and Investigations, 2000 **Hearings, Reports and Prints of the House Committee on Foreign Affairs** United States. Congress. House. Committee on Foreign Affairs (1789-1975), 1970 *A Commentary on Euripides' Iphigenia in Tauris* Poulheria Kyriakou, 2012-02-14 This work is the first major commentary on Euripides Iphigenia in Tauris to appear in English in more than 65 years It offers detailed analysis of a fascinating play that scholars so far had considered mainly as a source of information about Athenian cult and viewed as a romantic adventure story with happy end Apart from including sober assessments of textual linguistic and metrical problems the commentary sheds new light on the play's treatment of myth its intricate structure presentation of character and place in Euripides work In particular it offers fresh insights into the play's relationship to the literary tradition especially its treatment of the crimes of the Pelopids and its presentation of the complex ambiguous relationship of humans and gods as well as that of Greeks and barbarians Unlike

most other tragedies Iphigenia in Tauris does not feature any villain and avoids concentrating on past crimes and their corrosive influence on the characters present The Taurians are not portrayed simply as savage and slow barbarians and Iphigenia the most intelligent character fails to transcend her limitations Religion and cult in both myth and contemporary Athens are a mixture of traditional and invented elements and the play as a whole turns out to be an intriguing and unique experiment in Euripides career **Studies in Communist Affairs** United States. Department of the Air Force,1976
