The Street Addict Role Richard C. Stephens,1991-01-01 Introduction The symbolic interactionist perspective Towards a role theoretic model of heroin use Becoming and being a street addict Individualistic explanations for heroin use Origins of the street addict role Treatment for the street addict What is to be done **Crime in America--heroin Importation, Distribution, Packaging, and Paraphernalia** United States. The Bible and the Addiction Experience Christopher Gaskin,2024-06-04 Addicts are often referred to as fiends and although we use the word fiend ever so casually the average person is clueless as to what the word actually means The dictionary defines the word fiend as a devil a demon or evil spirit which raises the question as to how exactly are devils demons and evil spirits synonymous with the addict Believe it or not these definitions arose from the idea that the addict is actually an incarnate demon helplessly possessed by his own evil spirit called the fiend who tempts him from within to postpone his resolve for recovery and proceed to feed his insatiable appetite for drugs against his better judgment Hence the reason why the relapse rate for addiction is so high is because as demonically possessed souls addicts are in need of an exorcism rather than the ineffective methods of conventional treatment that fails to address the real issue In a serendipitous turn of events the addict can now reference The Addiction Experience where he is instructed by the master exorcist from whom he receives the authority to cast out his inner demon and get clean once and for all *Pathways* William L. White,1996-04-30 *Pathways from the Culture of Addiction to the Culture of Recovery* **Research Issues** ,1977 **Drugs and the Elderly Adult** Meyer D. Glantz,David M. Petersen,Frank J. Whittington,1983 *The Addict* Richard Galvan,2024-10-09 Do you know any drug addicts or alcoholics As an ex junky I wrote this book to help addicts and their devastated families Throughout my two decades of sobriety I ve been working with those still in the trenches and the folks caught in their orbit trying to solve the riddle of an unstoppable addict Why would a person do something so harmful to themselves and the ones they love Are they a disaster because they re on drugs or on drugs because they were a disaster The drugs are usually just a symptom of a bigger problem This problem or malady doesn t just manifest itself as a drug addiction it can also come in the form of criminal behaviour eating disorders gambling problems anxiety depression etc So what can we do How do we identify the root causes The answers to these questions are usually buried deep within we just have to get our hands dirty and do some digging This book is your shovel no sponsors or meetings needed In this book I ll share my story and walk you through a program with a different approach to life and recovery Let s get started
