only thing out of the ordinary at the church where the wedding took place was Hatty's little accident she dropped her wedding bouquet and a gentleman in the front pew picked it up and handed it back to her After the bridal party entered Hatty's father's house for the wedding breakfast a former companion of St Simon the dancer Flora Millar caused a disturbance at the door and was ejected Hatty was seen talking to her maid upon arrival at the house ten minutes into the wedding breakfast Hatty claimed a sudden indisposition and retired to her room A short time later it was discovered that she had left the house There are many questions that Holmes must sift through Who was that woman trying to get in to the wedding breakfast Who was that man in the front pew Who was that man seen going into Hyde Park with Hatty Why were Hatty's wedding dress and ring found washed up on the shore of the Serpentine What had become of her

The Adventure of The Noble Bachelor (Large Print) Literary Domain Publishing, Arthur Conan Doyle, 2020-02-18 The Lord St Simon marriage and its curious termination have long ceased to be a

subject of interest in those exalted circles in which the unfortunate bridegroom moves Fresh scandals have eclipsed it and their more piquant details have drawn the gossips away from this four year old drama As I have reason to believe however that the full facts have never been revealed to the general public and as my friend Sherlock Holmes had a considerable share in clearing the matter up I feel that no memoir of him would be complete without some little sketch of this remarkable episode It was a few weeks before my own marriage during the days when I was still sharing rooms with Holmes in Baker Street that he came home from an afternoon stroll to find a letter on the table waiting for him I had remained indoors all day for the weather had taken a sudden turn to rain with high autumnal winds and the jezail bullet which I had brought back in one of my limbs as a relic of my Afghan campaign throbbed with dull persistence With my body in one easy chair and my legs upon another I had surrounded myself with a cloud of newspapers until at last saturated with the news of the day I tossed them all aside and lay listless watching the huge crest and monogram upon the envelope upon the table and wondering lazily who my friend's noble correspondent could be Here is a very fashionable epistle I remarked as he entered Your morning letters if I remember right were from a fish monger and a tide waiter

The Noble Bachelor Sir Arthur Conan Doyle, 2016-07-01 The entire series of Sherlock Holmes stories by Arthur Conan Doyle is now available in large print using the best practices for senior readers and those who are visually impaired Each story includes the original Sherlock Holmes mystery as well as a note from the series editor Craig Stephen Copland the author of the New Sherlock Holmes Mysteries books The Adventure of the Noble Bachelor Sherlock Holmes notes his warm feeling toward the USA and his desire that someday the countries might be re united But the inescapable warning contained in the story is that eligible young English aristocratic bachelors should stay far away from wild American women especially those who come from west of the Mississippi Otherwise they will end up like Lord Robert Walsingham de Vere St Simon second son of the Duke of Balmoral These books are great gifts for someone you care about who needs a larger size print to be able to enjoy these wonderful stories
