The Air Attache In The American Embassy:

The Air Attache in the American Embassy Thomas Canady, Jr., 2005-04-01 In this book the author relates experiences derived from two assignments as an air attache on duty in a United States embassy The first was as an assistant attache in Indonesia during a period when relations between Indonesia and the United States were severely strained Anti Americanism ran rampant at the time and was manifested by frequent hostile demonstrations before the American Embassy in Djakarta The second assignment as air attache was in Spain in a totally different atmosphere where Americans were welcomed Thus the author is able to describe attache duty from two entirely different perspectives Between attache assignments the author served as a Plans action officer in Air Force Headquarters in the Pentagon and as director of operations of an air transport unit in Vietnam These periods are also described *AF Manual* United States. Department of the Air Force, 1957 Special Regulations United States. Department of the Army, 1949-05-23 *National Defense Resources Conference* Industrial College of the Armed Forces (U.S.), 1964 *Grandfather's Journal* Tom Maxwell, 2014-10-15 In 2012 after sharing a number of sea stories with my only grandson I was told I needed to write a life journal to include my years as a child in the Philippine Islands just following World War II The journal which addressed a time from June 7 1935 to December 28 2013 includes the important events of my life including my twenty seven years in the US Navy As could be expected there are more reflections from my years as a naval aviator flying combat missions in Vietnam and numerous secret missions against the Soviet Union during the Cold War Not as exciting but just as important was my journal following my naval service after my retirement in December 1982 Most importantly I have shared what took place in my life on June 9 1977 two days after my 42nd birthday and two days before my oldest son graduated from high school when I accepted Jesus Christ as the Lord and Savior of my life This event radically changed my life and immediately healed a broken family It also addressed the thirty plus years in which I was called as a volunteer to serve the least of these in our prison systems If I have a desire for the journal it would be that it encourage others to address the importance of their spiritual needs before age forty two and that it would challenge my grandchildren in their walk with Christ **International Organization and Conference Series I-IV.** United States.
