

THE AKHENATEN TEMPLE PROJECT

A stylized illustration in a light brown line-art style depicts the family of Akhenaten. Akhenaten is shown in profile, facing right, with a long, thin neck and a distinctive headdress. He is holding the hand of Nefertiti, who is also in profile, facing right. They are surrounded by several children, some of whom are holding hands with the adults. The entire family is set against a light blue background. The illustration is composed of various rectangular blocks of different shades of brown and tan, which are arranged to form the figures and their clothing. The blocks are of various sizes and shapes, some with internal line details. The overall effect is a modern, geometric interpretation of ancient Egyptian art.
