Crenshaw,1996-05-01 Falling in Love Ayala Pines,Ayala Malach Pines,2013-05-13 Falling in Love is the first book to unlock the mysteries of how and why we fall in love Renowned psychologist Ayala Pines shows us why we fall for the people we do and argues convincingly that we love neither by chance nor by accident She offers sound advice for making the right choices when it comes to this complicated emotion Packed with helpful suggestions for those seeking love and those already in it this book is about love s many puzzles The second edition furthers the work of the popular and successful first edition With expanded research theory and practice this book once again provides one of a kind understandings of the experience of love The new edition offers updated references to recent research new chapter exercises and case examples of romantic stories to begin each chapter Improve Your Marriage By Improving Your Focus Dr. Mark Avery Reed, Dr Mark Avery

Reed s book Improve Your Marriage By Improving Your Focus shows that God s intent is for our marriage to be happy and mutually enriching as we start emphasizing what we are receiving from our spouse and learn to increase simple marriage building behaviors As we improve our ability to see ourselves our spouse and our marriage as the Lord does we focus less on problems and express greater gratitude to each other We become happier In Improve Your Marriage By Improving Your Focus we learn that a healthy happy marriage requires two people who have decent mental health Hence chapter 1 explains the key characteristics of mental and spiritual health Sadly this topic is seldom addressed at length in books on how to have a good marriage Dr Reed offers many surprising and very helpful insights on such matters as appropriate self disclosure romance intimacy proper expectations physical affection sex and the real nature of both agape and erotic love The seldom mentioned but important subject of how to hear from God for our marriage is also discussed with practical ideas which can be applied to any area of our life Other topic areas with valuable input include how to listen effectively dealing with conflict without emphasizing our problems building hope and optimism for our marriage strengthening commitment and how to focus on what is positive Improve Your Marriage By Improving Your Focus also points out Forty ways we can improve our self image since someone with a poor self image will find ways to avoid deep intimacy lest they be rejected Fifty five Bible verses which indicate we should focus on what is positive The biblical difference between justified and unjustified complaining and how unjustified griping greatly harms our marriage This book provides practical help by which most any two people with decent mental health can move their marriage from unsatisfying to at least satisfying or from good to even better *The Love-Shy Survival Guide* Talmer Shockley,2009-05-15 Love shyness is a condition which causes a phobia of romantic and

sexual situations This book is designed to help Love Shys overcome this fear and to meet date and maintain romantic relationships A self confessed Love Shy Shockley explores the condition its links with Asperger s Syndrome and how it differs from normal shyness **The Alchemy of Desire** Tarun J.
