

The Amazon Journal of Roger Casement

Edited by Angus Mitchell

Roger Casement (1864-1916) has been ill-served by history. An internationally renowned humanitarian in the years preceding the First World War, he was virtually air-brushed out of the period to be replaced by the still-prevalent image of the homosexual traitor. Contemporary perception of Casement has become inseparable from the rampant homosexual who wrote the infamous "Black Diaries" with their feverish depiction of homosexual acts from Buenos Aires to Belfast. The existence of these "Black Diaries" was first rumoured in the course of Casement's trial for treason. Extracts were shown to opinion formers and potential sympathisers in a successful bid to curtail any campaign to save him from hanging. At the time there were voices, especially Irish ones, which disputed the authenticity of the "Black Diaries". An edition published in Paris in 1959 remained the sole available source until the British Government released them along with other Casement material in 1954-5.

This edition of Casement's *Amazon Journal* presents information resulting in a new understanding of Roger Casement in two key respects. First, it imposes a sharper awareness of the scale and force of Casement's investigation into atrocities committed in Africa and South America in the name of commerce and civilisation. Second, it confirms a suspicion, evolving into certainty, that the "Black Diaries" were forged to destroy the public reputation of the traitorous former British Consul, and also to divert further examination of the unpalatable reality behind the idealistic language of colonialism and "the white man's burden". The diarist of *The Amazon Journal* not only seems a very different person to the protagonist of the "Black Diaries," he was a different person.

The introductory chapter of *The Amazon Journal* of Roger Casement explores the background to the issue of the "Black Diaries" and the manner in which this question has clouded subsequent understanding, both of Casement the man and his life's work. The remainder of the work allows Casement's own voice to be heard anew; his compassionate anger struck a chord with his audience then and continues to resonate for his listeners today.

The Amazon Journal Of Roger Casement

Eóin Flannery

The Amazon Journal Of Roger Casement:

The Amazon Journal of Roger Casement Roger Casement, This book from the previously unpublished manuscript in the National Library of Ireland is a valuable and deeply detailed edition of the diary kept by Casement during his journey into the South American rainforests He had been sent by the British government to report on atrocities against tribal people while being forced to collect rubber in the Putumayo region in the north west Amazon Genocide among the Amazon Indians has continued but external investigations of this kind have been rare The way in which Roger Casement carried out his work is still relevant to all kinds of humanitarian and whistle blowing activities It is also a key text charting Casement s transition from observer to anti imperial revolutionary and Irish independence leader culminating in his execution by the British government in August 1916 after the Easter Rising

The Amazon Journal of Roger Casement Roger Casement,1997 This book from the previously unpublished manuscript in the National Library of Ireland is a valuable and deeply detailed edition of the diary kept by Casement during his journey into the South American rainforests He had been sent by the British government to report on atrocities against tribal people while being forced to collect rubber in the Putumayo region in the north west Amazon Genocide among the Amazon Indians has continued but external investigations of this kind have been rare The way in which Roger Casement carried out his work is still relevant to all kinds of humanitarian and whistle blowing activities It is also a key text charting Casement s transition from observer to anti imperial revolutionary and Irish independence leader culminating in his execution by the British government in August 1916 after the Easter Rising

The Amazon Journal of Roger Casement Sir Roger Casement,Angus Mitchell,1997 This text derived from the manuscript in the National Library of Ireland describes Roger Casement s journey into the South American rainforests to investigate atrocities against tribal people of the north west Amazon It follows Casement s transition from observer to anti imperial revolutionary and Irish patriot leading to his execution by the British in August 1916 after the failure of the Easter Rising

Ireland and Ecocriticism Eóin Flannery,2015-10-05 This book is the first truly interdisciplinary intervention into the burgeoning field of Irish ecological criticism Providing original and nuanced readings of Irish cultural texts and personalities in terms of contemporary ecological criticism Flannery s readings of Irish literary fiction poetry travel writing non fiction and essay writing are ground breaking in their depth and scope Explorations of figures and texts from Irish cultural and political history including John McGahern Derek Mahon Roger Casement and Tim Robinson among many others enable and invigorate the discipline of Irish cultural studies and international ecocriticism on the whole This book addresses the need to impress the urgency of lateral ecological awareness and responsibility among Irish cultural and political commentators to highlight continuities and disparities between Irish ecological thought writing and praxis and those of differential international writers critics and activists and to establish both the singularity and contiguity of Irish ecological criticism to the wider international field of ecological criticism With the introduction of concepts such as ecocosmopolitanism deep history ethics of proximity

Gaia Theory urban ecology and postcolonial environmentalism to Irish cultural studies it takes Irish cultural studies in bracing new directions Flannery furnishes working examples of the necessary interdisciplinarity of ecological criticism and impresses the relevance of the Irish context to the broader debates within international ecological criticism Crucially the volume imports ecological critical paradigms into the field of Irish studies and demonstrates the value of such conceptual dialogue for the future of Irish cultural and political criticism This pioneering intervention exhibits the complexity of different Irish cultural and historical responses to ecological exploitation degradation and social justice

The Scramble for the Amazon and the Lost Paradise of Euclides da Cunha Susanna B. Hecht, 2022-12-22 A compelling and elegantly written history of the fight for the Amazon basin and the work of a brilliant but overlooked Brazilian intellectual Times Literary Supplement UK The fortunes of the late nineteenth century's imperial powers depended on a single raw material rubber with only one source the Amazon basin This scenario ignited a decades long conflict that found Britain France Belgium and the United States fighting with and against the new nations of Peru Bolivia and Brazil for the forest's riches In the midst of this struggle the Brazilian author and geographer Euclides da Cunha led a survey expedition to the farthest reaches of the river The Scramble for the Amazon tells the story of da Cunha's terrifying journey the unfinished novel born from it and the global strife that formed the backdrop for both Haunted by his broken marriage da Cunha trekked through a beautiful region thrown into chaos by guerrilla warfare starving migrants and native slavery All the while he worked on his masterpiece a nationalist synthesis of geography philosophy biology and journalism entitled Lost Paradise Hoping to unveil the Amazon's explorers spies natives and brutal geopolitics Da Cunha was killed by his wife's lover before he could complete his epic work once the biography of Da Cunha a translation of his unfinished work and a chronicle of the social political and environmental history of the Amazon The Scramble for the Amazon is a work of thrilling intellectual ambition

Roger Casement Angus Mitchell, 2014-01-23 A fascinating examination of the extraordinary life of Roger Casement executed as part of the 1916 rising fighting the empire that had previously knighted him Roger Casement was a British consul for two decades However his investigation into atrocities in the Congo led Casement to anti Imperialist views Ultimately this led him to side with the Irish Republican movement leading up to the 1916 rising Arrested by the British for gun trafficking he was incarcerated in the Tower of London and then placed in the dock at the Royal Courts of Justice in an internationally publicised state trial for high treason He was hanged in Pentonville prison on the 3 August two years to the day after Britain's declaration of war in 1914

Sir Roger Casement's Heart of Darkness Roger Casement, 2003

The Irish Art of Controversy Lucy McDiarmid, 2018-07-05 Controversies are high drama in them people speak lines as colorful and passionate as any recited on stage In the years before the 1916 Rising public battles were fought in Ireland over French paintings a maverick priest Dublin slum children and theatrical censorship Controversy was popular wrote George Moore especially when accompanied with the breaking of chairs In her new book Lucy McDiarmid offers a witty and illuminating account of these and other

controversies antagonistic exchanges with no single or no obvious high ground They merit attention in her view not because the Irish are more combative than other peoples but because controversies functioned centrally in the debate over Irish national identity They offered to everyone direct or vicarious involvement in public life the question they articulated was not Irish Ireland or English Ireland but whose Irish Ireland would dominate when independence was finally achieved The Irish Art of Controversy recovers the histories of the man who died for the language Father O Hickey who defied the bishops in his fight for Irish Gaelic Lady Gregory and Bernard Shaw s defense of the Abbey Theatre against Dublin Castle and the 1913 Save the Dublin Kiddies campaign in which priests attacked socialists over custody of Catholic children The notorious Roger Casement British consul Irish rebel humanitarian poet forms the subject of the last chapter which offers the definitive commentary on the long lasting controversy over his diaries McDiarmid s use of archival sources especially little known private letters indicates the way intimate exchanges as well as cartoons ballads and editorials may exist within a public narrative In its original treatment of the rich material Yeats called intemperate speech The Irish Art of Controversy suggests new ways of thinking about modern Ireland and about controversy s bluff bravado and improvisational flair *Field Day Review 8 (2012)* Deane, S., and Deane, C., Angus Mitchell, Willie Smyth, Joseph A. Buttigieg, Amy Martin, Ronan Sheehan, 2015 *Field Day Review* the finest essays in Irish Studies *Bad Gays* Huw Lemmey, Ben Miller, 2023-05-30 These very funny deep dives into the lives of the most dastardly queer people in history offer a passionate argument for rethinking gay politics beyond identity Vogue What can we learn from the homosexual villains failures and baddies of our past We all remember Oscar Wilde but who speaks for Bosie What about those bad gays whose unexemplary lives reveal more than we might expect Many popular histories seek to establish homosexual heroes pioneers and martyrs but as Huw Lemmey and Ben Miller argue the past is filled with queer people whose sexualities and dastardly deeds have been overlooked despite their being informative and instructive Based on the hugely popular podcast series of the same name *Bad Gays* asks what we can learn about LGBTQ history sexuality and identity through its villains failures and baddies With characters such as the Emperor Hadrian anthropologist Margaret Mead and notorious gangster Ronnie Kray the authors tell the story of how the figure of the white gay man was born and how he failed They examine a cast of kings fascist thugs artists and debauched bon viveurs Imperial era figures Lawrence of Arabia and Roger Casement get a look in as do FBI boss J Edgar Hoover lawyer Roy Cohn and architect Philip Johnson Together these amazing life stories expand and challenge mainstream assumptions about sexual identity showing that homosexuality itself was an idea that emerged in the 19th century one central to major historical events *Bad Gays* is a passionate argument for rethinking gay politics beyond questions of identity compelling readers to search for solidarity across boundaries

Reviewing **The Amazon Journal Of Roger Casement**: Unlocking the Spellbinding Force of Linguistics
