

The Ambivalence of Abortion

**"A welcome airing of
the one side of the abortion
question that has been shut away:
the human experience."**

—Gail Sheehy

Linda Bird Francke

The Ambivalence Of Abortion

Mike Jess

The Ambivalence Of Abortion:

The Ambivalence of Abortion Linda Bird Francke, 1978 Discusses the issue of abortion in the United States and presents the reactions of people who have undergone the experience

Re-thinking Abortion Mary Boyle, 2014-02-25 Women have been able to have abortions legally for over 30 years Yet few books have considered it as anything other than a health issue Mary Boyle breaks this mould by considering the constructions of abortion in Western society Drawing on ideas from sociology politics anthropology and law as well as psychology she shows how abortion is linked to sexual behaviour and motherhood in the complex web of gender and power relations This book will be of interest to all those engaged with feminist thinking whether as student academic or professional in practice

The Psychological Processes of Childbearing Joan Raphael-Leff, 2018-05-03 Childbearing seems eternal primordial and universal Yet human reproduction in the 21st century is in a state of flux This accessible book highlights dramatic changes that have occurred over the last decades focusing on both individual and cross cultural diversity across the now elongated childbearing cycle and the uniqueness of desire and emotional experience It does so by locating the transition to parenthood in its psycho sexual and socio economic context emphasising interweaving internal external realities and our inherent interconnectedness with others Included are conscious and unconscious factors determining beliefs expectations and parenting practices and ways in which these are affected by rapid urbanisation shrinking families societal instability HIV governmental maternity and child care policies and attitudes of professionals Drawing widely on empirical and clinical research from disparate disciplines psychoanalytic neuro scientific neonatal sociological obstetric anthropological and midwifery this resource book synthesises these to illustrate a spectrum of processes affecting each person's mental health

Questions and Answers in Attitude Surveys Howard Schuman, Stanley Presser, 1996-03 Questions and Answers in Attitude Surveys pioneers a new state of the art for conducting research on the form wording and context of questions asked in attitude surveys

The Abortion Question Hyman Rodman, Betty Sarvis, Joy Walker Bonar, 1987 Available for the first time in English this is the definitive account of the practice of sexual slavery the Japanese military perpetrated during World War II by the researcher principally responsible for exposing the Japanese government's responsibility for these atrocities The large scale imprisonment and rape of thousands of women who were euphemistically called comfort women by the Japanese military first seized public attention in 1991 when three Korean women filed suit in a Toyko District Court stating that they had been forced into sexual servitude and demanding compensation Since then the comfort stations and their significance have been the subject of ongoing debate and intense activism in Japan much if it inspired by Yoshimi's investigations How large a role did the military and by extension the government play in setting up and administering these camps What type of compensation if any are the victimized women due These issues figure prominently in the current Japanese focus on public memory and arguments about the teaching and writing of history and are central to efforts to transform Japanese ways of remembering the war Yoshimi Yoshiaki provides a

wealth of documentation and testimony to prove the existence of some 2 000 centers where as many as 200 000 Korean Filipina Taiwanese Indonesian Burmese Dutch Australian and some Japanese women were restrained for months and forced to engage in sexual activity with Japanese military personnel Many of the women were teenagers some as young as fourteen To date the Japanese government has neither admitted responsibility for creating the comfort station system nor given compensation directly to former comfort women This English edition updates the Japanese edition originally published in 1995 and includes introductions by both the author and the translator placing the story in context for American readers

Social Approaches to Communication Wendy Leeds-Hurwitz, 1995-07-28 Long before there were formal organizations or mass media there was face to face interaction the practice which comprises very core of the study of communication Until recently however research in the field of interpersonal communication has been dominated by a behavioral science approach closely aligned with experimental social psychology This timely and provocative volume critiques the limitations of past models exploring a range of social approaches which help bring communication up to date Social approaches writes Leeds Hurwitz question whether the traditional theoretical assumptions and research methods followed in the field are still valid and appropriate While the roots of these approaches are diverse and interdisciplinary they overlap in their concern for the social construction of self other and event and in their acknowledgment of the researcher s role in establishing not only the research questions but also the research context Social approaches stress the necessity of recognizing the impact of cultural differences on communication research and identify the ways in which research inquiry creates meanings at the same time as it investigates them Most importantly they focus on instances of contact between individuals the actual social transactions in which people engage Together they demonstrate the ability to disregard labels in pursuit of a common goal the construction of a more adequate understanding of human interaction Robert T Craig s Foreword describes the historical tension in interpersonal communication between behavioral science approaches on the one hand and interpretive social approaches on the other Parts I and II of the volume highlight the theoretical underpinnings of social approaches and the philosophical grounding of some of the more central ideas Part III elaborates on the assumptions shared by social approaches focusing on a series of key concepts including the dichotomy between qualitative and quantitative research reflexivity social constructionism and the individual Part IV begins the task of applying social approaches to particular research topics including the use of case studies rapport in research interviews ethnography as theory continuity in relationships and the co construction of personal narratives Part V examines where the various chapters lead us making a strong case for practical theory as the necessary next step A unique overview of current theoretical innovations in the study of interpersonal communication SOCIAL APPROACHES TO COMMUNICATION belongs on the shelf of every professional and student in communication It will be especially valuable to those interested in communication theory interpersonal communication and social interaction Psychological Sequelae Katherine T. Johnson, 1987 *The Politics of Injustice* David Niven, 2003 Niven

explores how the Freedom Rides set a pattern for JFK's reaction to the civil rights movement and how the president tried to make a half-hearted stand for civil rights while shoring up his support among segregationist white southern Democrats A Community of Character Stanley Hauerwas, 1991-01-31 Selected by Christianity Today as one of the 100 most important books on religion of the twentieth century Leading theological ethicist Stanley Hauerwas shows how discussions of Christology and the authority of scripture involve questions about what kind of community the church must be to rightly tell the stories of God He challenges the dominant assumption of contemporary Christian social ethics that there is a special relation between Christianity and some form of liberal democratic social system Critical Psychophysical Passages in the Life of a Woman Joan Offerman-Zuckerberg, 2012-12-06 After the birth of my second son some 11 years ago I was painfully torn by the timing of my reentry to work my wish to return to a prestigious and stimulating position as chief psychologist of a large agency or my equally powerful wish to enjoy fully my beautiful new son's infancy undivided and untorn At the time I had a dream that my body was cut in half at the waist my head leaned to the books neatly contained on the library shelves my belly went to the crib all sweet smelling and soft Not having had the opportunity to be undivided with my first son now 17 years old I chose to resign my agency position and stay home as long as I wished and then develop my private practice It was a decision that at the time entailed much loss cerebral collegial social prestigious and generated some self-doubt but in retrospect it is not regretted and was perhaps wise This son's infancy will always be remembered as a time in which I experienced mothering with ease and grace

The Ambivalence Of Abortion: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Ambivalence Of Abortion : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Ambivalence Of Abortion : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
