The American Dreams Collection:

The American Dreams Collection James R. Bickford,1998-01-01 The American Dream Collection ,2003 Single story homes 1290 to 1440 square feet *The American Dream* Jim Cullen,2004 Cullen particularly focuses on the founding fathers and the Declaration of Independence the charter of the American Dream Abraham Lincoln with his rise from log cabin to White House and his dream for a unified nation and Martin Luther King Jr s dream of racial equality Our contemporary version of the American Dream seems rather debased in Cullen s eyes built on the cult of Hollywood and its outlandish dreams of overnight fame and fortune Facing Up to the American Dream Jennifer L. Hochschild,1996-08-25 Hochschild combines survey data and vivid anecdote to clarify several paradoxes Since the 1960s white Americans have seen African Americans as having better and better chances to achieve the dream At the same time middle class blacks by now one third of the African American population have become increasingly frustrated personally and anxious about the progress of their race Most poor blacks however cling with astonishing strength to the notion that they and their families can succeed despite their terrible perhaps worsening living conditions Meanwhile a tiny number of the estranged poor who have completely given up on the American dream or any other faith threaten the social fabric of the black community and the very lives of their fellow blacks Will the still optimistic majority of poor African Americans eventually follow the alienated minority into neighborhood and even society wide destruction Does the new black middle class vindicate the American dream or does the frustration of its members make apparent the limits of a vision never intended to include African Americans Hochschild probes these questions and gives them historical depth by comparing the experience of today s African Americans to that of white ethnic immigrants at the turn of the century She concludes by claiming that America s only alternative to the social disaster of intensified racial conflict lies in the inclusiveness optimism discipline and high mindedness of the American dream at its best The American Dream Tallal Alie Turfe,2024-10-17 President Bill Clinton Tallal each of us has an important role to play to ensure that America s future will hold promise for every citizen I am confident that working together we can renew hope and opportunity in our nation Ben Johnson assistant to President Bill Clinton Tallal thank you for participating in President Clinton s One America Meeting with Religious Leaders Your leadership and commitment bring this country closer towards building One America Thank you for your great work Former US ambassador Edward Gabriel president American Task Force on Lebanon Tallal gave the gala dinner invocation honoring Four Star General and Supreme Allied Commander George Joulwan He addressed the many Generals and political statesmen in the audience Charlie Cain Detroit News article Dearborn Man Finds Jobs for Immigrants March 26 1974 Turfe was in the middle of working out a deal for 40 jobs for immigrants His wife went into labor the day the jobs were to come through He dropped his wife off at a hospital on his way to the meeting and 15 minutes later the mother gave birth Ted Parsons retired chief executive officer OMNI Community Credit Union I will be forever grateful for Tallal s mentoring and all that he taught me about both living my dreams and giving back

through helping others to live theirs Charles Shamey retired principal Romulus School District When I grew up it was common among my peers to say I want to be like Tallal On June 15 2000 Bawa Jain secretary general of the World Peace Summit United Nations Tallal on behalf of the Secretariat for the Millennium World Peace Summit I write to humbly request your presence at this historic gathering Your participation in this assembly is the key for its success *The American Dream and Dreams Deferred* Carlton D. Floyd, Thomas Ehrlich Reifer, 2022-11-14 The American Dream and Dreams Deferred A Dialectical Fairy Tale shows how rival interpretations of the Dream reveal the dialectical tensions therein Exploring often neglected voices literatures and histories Carlton D Floyd and Thomas Ehrlich Reifer highlight moments when the American Dream appears both simultaneously possible and out of reach In so doing the authors invite readers to make a new collective dream of a better future on socially just multicultural and ecologically sustainable foundations **The Making of the American Dream, Vol. I** Lewis E. Kaplan, 2009 Any history that touts itself as unconventional is bound to raise some hackles when it challenges traditional interpretations of our nation's past Yet history is continually under revision This 2 volume work covering America's first 300 years differs from others in seeking to debunk numerous flattering and conventionally accepted myths Reading between the lines of what we've all been taught as US history the author probes a little deeper into what perhaps was never denied but was never spelled out either Some inconvenient questions emerge Was lust for land the driving force behind e The Routledge Handbook on the American Dream Robert Hauhart, Mitja Sardoč, 2021-07-29 What do we mean by the American dream Can we define it Or does any discussion of the phrase end inconclusively the solid turned liquid like ice melting Do we know whether the American dream motivates and inspires or alternately obscures and deceives The Routledge Handbook on the American Dream offers distinctive authoritative original essays by well known scholars that address the social economic historical philosophic legal and cultural dimensions of the American dream for the twenty first century The American dream first discussed and defined in print by James Truslow Adams's *The Epic of America* 1931 has become nearly synonymous with being American Adams's definition although known to scholars is often lost in our ubiquitous use of the term When used today the iconic phrase seems to encapsulate every fashion fad trend association or image the user identifies with the United States or American life The American dream's ubiquity though argues eloquently for a deeper understanding of its heritage its implications and its impact to be found in this first research handbook ever published on the topic Architecture and Suburbia John Archer, 2005 Traces the evolution of the modern American dream house from seventeenth century England to the present **The American Dream** Lawrence R. Samuel, 2012-08-27 There is no better way to understand America than by understanding the cultural history of the American Dream Rather than just a powerful philosophy or ideology the Dream is thoroughly woven into the fabric of everyday life playing a vital role in who we are what we do and why we do it No other idea or mythology has as much influence on our individual and collective lives Tracing the history of the phrase in popular culture Samuel gives readers a field guide to the evolution of our national

identity over the last eighty years Samuel tells the story chronologically revealing that there have been six major eras of the mythology since the phrase was coined in 1931 Relying mainly on period magazines and newspapers as his primary source material the author demonstrates that journalists serving on the front lines of the scene represent our most valuable resource to recover unfiltered stories of the Dream The problem Samuel reveals is that it does not exist the Dream is just that a product of our imagination That it is not real ultimately turns out to be the most significant finding and what makes the story most compelling
