hidden for far too long Woman Church State not only sheds light on the past but also inspires readers to take action for a more equitable future This essential work remains relevant today urging us to reflect on the ongoing struggles for women's rights and the role of religion in shaping gender dynamics Gage's insights serve as a clarion call for those seeking to understand and combat the systemic inequalities that persist in modern society Join the movement for change by reading Woman Church State Purchase your copy now and empower yourself with knowledge that can inspire action *Theosophy*, 1918 **Theosophy and the Study of Religion**, 2024-06-11 Since its emergence in the nineteenth century the Theosophical Society has wielded enormous influence across diverse fields none more so than the study of religion This volume explores this legacy in North America Europe and India demonstrating its impact on the conceptualization of religion and its influence on methods of comparison Unveiling overlooked entanglements the volume challenges standard narratives in the history of religious studies and interrogates the deliberate neglect of theosophy's influence in the secular academy In doing so the work confronts lingering ghosts urging a reappraisal that enriches the study of religion and offers prescriptions for its future *Pantheistic Theosophy is irreconcilable with Roman Catholicism* Helena Petrovna Blavatsky, 2020-11-13 Part 1 Abbe Roca's ecclesiastical views upon the Esotericism of Christian Dogma Part 2 Madame Blavatsky refutes the Word made flesh of the Catholic Church Christian texts are allegories to the archaic mysteries of the Cycle of Initiation and keys to the once universal mystery language When esoterically interpreted they reveal their fundamental identity with the same Universal Truths By imposing the dogma of the Word made flesh the Latin Church is diametrically opposed to the tenets of Eastern Occultism thus maintaining an abyss between East and West as long as neither yields an inch Today's Christians are the usurpers of a name they no longer understand By denying the Divine Logos to any other man except Jesus of Nazareth the Churches carnalised the Christos of the Gnostics and that alone prevents them having any point in common with the disciples of the Archaic Wisdom The Church of Rome was Gnostic just as much as the Marcionites were until the middle of the second century Further evidence that Rome has wandered farthest from the real religion of the mystical Christ is that it adopted the solar tonsure proper to the Egyptian priests of the public temples and to the lamas and bonzes of the popular Buddhist cult No sacrificial victim can be united with Christ triumphant before passing through the stage of the suffering Christ who was put to death on the cross of his passions It is the light of the glorious Christ Spirit that directs the modern Theosophical movement The Astronomical Christ can have only one anniversary of birth and resurrection in years because his parents are the Sun and the Moon the heavenly bodies that accompany the Man crucified in Space Paul had been converted not to the Jesus of Nazareth but to the Christos of the Gnostics In his Epistles he has been made to fulminate against the heretics Peter James and the other Apostles The sacred fire which Prometheus stole from the gods is the flame of self-consciousness the spark that quickened the human mind The supposed theft of the sexual flame is the outcome of evolution of which the Darwinian theory is but the rough exterior husk on the material plane Since men had discovered the

secret of physical creation and were procreating in their turn what was the use of god creators The true Christ is the glorious Ego triumphant over the flesh We solemnly reject the dogma of Ascension which degrades the great mystery of Universal Unity Mysteries were invented by those who are bent on exercising power in order to manipulate the ignorant by arrogating the prerogative of gods Did you know that the mysteries of the Catholic Church are those of the Brahmanas though under other names Part 3 Abbe Roca counter responds to Madame Blavatsky s observations Part 4 Madame Blavatsky debunks Abbe Roca s mistaken notions concerning her observations The Abb has consigned the theological Christ to the background and has not breathed a word about the esoteric Christos Moreover he bears me a grudge for having displayed what he pleases to call such erudition He deceives himself in fancying he understands Buddhism but he does not know it even exoterically any more than Hinduism even in its popular form Theosophy is neither Buddhism Christianity Judaism Mohammedanism Hinduism nor any other ism it is the esoteric synthesis of the world s religions philosophies and sciences Abb Roca has fabricated for himself a Christianity of his own Our Masters are far too great to bedizen themselves with the peacock s feathers of infallibility The puff of wind which knocks down a house of cards may easily pass for a heavy squall in the eyes of the architect who built it but if the Abb lays the blame on the puff rather than on the weakness of his edifice this is certainly not my fault The homage he renders to the wisdom of our Masters instead of intoxicating me by its heady fumes as he alleges it made me feel an even deeper mistrust of his motives A divine Christ has never existed under a human form outside the imagination of blasphemers who have carnalised a universal and wholly impersonal principle The Man God of the Christians was never historical person He is a deified personification of the glorified type of the great Hierophants of the Temples and his story as told in the New Testament is a mere allegory assuredly containing profound esoteric truths but still an allegory Matthew s strait is the gate and narrow is the way applies neither to the Abb nor to his faith In his Church the way and the gate to heaven become wider in proportion to the sums paid by the faithful The Churches which style themselves Christian are nothing but whited sepulchres filled with the dead bones of esoteric paganism and moral putrefaction It is infinitely more difficult more meritorious and more godlike to live for the love of whether man or an ideal than to die for it We have thus shown to the Abb what we Occultists know as opposed to what some Fathers of the Church believed they knew Not only he deceives himself he is hopelessly optimistic Though I amply elaborated upon the real Christ i e the impersonal pre Christian Logos Abb Roca keeps reverting back to the ecclesiastical and dogmatic Christ of his Church Part 5 Abbe Roca s final response annotated by Madame Blavatsky Part 6 Fearless Roca was finally defrocked for coquetting too openly with Theosophy Alas His glorious dream of a reconciliation between Pantheistic Theosophy and a Socialistic Latin Church under a Caesaro Papal head came to an abrupt end The Theosophist ,1890
