Essene Way Edmond Bordeaux Székely, 1981-01-01 **The Essene Way** Székely Edmond B., 1990-01-01 *Guide to the Essene Way of Biogenic Living* Edmond Bordeaux Székely, 1977 **Creating Peace by Being Peace** Gabriel Cousens, M.D., 2010-05-18

Representing a synthesis of the author's decades of multidisciplinary work in meditation, psychiatry, psychotherapy, and spirituality, *Creating Peace by Being Peace* guides readers in creating peace on seven levels of engagement from the body to the ecology to God. Author Gabriel Cousens addresses the increasingly urgent need to transform humankind with the ancient peace wisdom of the Essenes, a Judaic mystical group that flourished two millennia ago. He begins by explaining the Essenes and the lessons they can teach us as creators of peace. Individual chapters cover a wide range of possibility from the personal Peace with the Mind to the political Peace with the Community. The final chapter, *Integrating Peace on Every Level*, presents a comprehensive plan for peace with the body, mind, family, community, culture, ecology, and God as a pervasive experience in life, moment to moment, day by day. Cousens blends documentary evidence with original interpretation to show that the Essenes actually did live this experience of peace. Most importantly, he transfers their gift to modern seekers as a breathing blueprint for realizing this reality as we walk in our lives, work according to our gifts, joys, and sacred design, and live the path of spiritual awakening, the sevenfold peace.

Spiritual Nutrition Gabriel Cousens, M.D., 2009-03-03

When we eat, can we feed the soul as well as the body? Can a diet have an impact on spirituality? *Spiritual Nutrition* empowers readers to develop personal diets that are appropriate to their lifestyles and spiritual practices. Drawing on 14 years of clinical experience and research, Dr. Gabriel Cousens discusses nutritional issues that can help answer these questions, including raw vs. cooked food, high vs. low protein, the concepts of assimilation and fasting, alkaline/acid balance, attitudes about food, nutrients, energy, and structure building. In addition, Cousens shares his new dietary system of spiritual nutrition that is based on the relationship that the color of the food has to corresponding colors of the human chakra system; hence, the rainbow diet. For true nourishment, he strongly promotes the connection of diet to meditation, fellowship, wisdom, and love.
