The Essential John Arlott On Cricket Forty Years Of Great Writing:

The Essential John Arlott John Arlott, David Rayvern Allen, 1989-01 *Arlott* David Rayvern Allen, 2014-03-01 John Arlott's rich Hampshire burr was the voice of BBC cricket commentary for many years from the great Test match radio broadcasts of the fifties to bucolic Sunday League on the television in the seventies. But he was also a distinguished journalist for the Guardian, a Liberal parliamentary candidate, a courageous opponent of apartheid in sport from the earliest opportunity, and a connoisseur and imbibor of fine wine without equal. David Rayvern Allen's definitive biography was acclaimed on its first publication and won the Cricket Society's award for Cricket Book of the Year. Now reissued by Aurum in a new paperback edition to tie in with its publication of the author's authorised biography of E W Swanton, Arlott evokes both a broadcasting legend and a sensitive humane man whose graphic pensive and wry commentaries came to epitomise the sound of an English summer. *Arlott, Swanton and the Soul of English Cricket* Stephen Fay, David Kynaston, 2018-04-19 WINNER OF THE TELEGRAPH CRICKET BOOK OF THE YEAR AWARD 2019 Beautifully written, meticulously researched and stuffed with rich sporting and social history. Unputdownable. Mail on Sunday. After the Second World War as the BBC tightened its grip on the national consciousness, two of the most famous English voices were commentators on games of cricket: John Arlott and E W Swanton. They transformed the broadcasting of the nation's summer game into a national institution. Arlott and Swanton typified the contrasting aspects of post-war Britain. Because of their strong personalities and distinctive voices, Swanton's crisp and upper-class Arlott's with its Hampshire burr, each had a loyal following. As England moved from a class-based to a more egalitarian society, nothing stayed the same, including professional cricket. Wise, lively and filled with rich social and sporting history, *Arlott, Swanton and the Soul of English Cricket* shows how, as the game entered a new era, these two very different men battled to save the soul of the game. _____ Magnificent. One of the best cricket books I've read in years. It makes long forgotten matches live and breathe as though they were played yesterday. Daily Mail. Books of the Year. A triumph. Kynaston and Fay both have inside-outside sensitivities that keep this near-seamless collaboration shrewd, worldly, balanced and fresh. Times Literary Supplement **Jack Robertson and Syd Brown: More Than Just The Warm-Up Act** Chris Overson, 2013-05-01 North London cricket followers turned to their morning newspapers for eleven summers in 1939 and from 1946 to 1955 to see how Robertson J D and Brown S M had fared as the Middlesex opening batsmen. They were not often disappointed. The pair opened the batting 366 times and their partnerships put on 14,116 runs reaching 100 runs or more on 35 occasions. As memories of their endeavours fade, cricket enthusiasts nowadays have perhaps typecast them as the warm-up act to the prodigious talents of Bill Edrich and Denis Compton. But they were more than that. Even that curmudgeonly old critic E M Wellings thought Jack a beautifully fluent stroke-maker and Syd a splendid county batsman. He thought selectors looked too hard for flaws in Jack's top-class batting technique, thus restricting him to 11 test matches, and he reckoned Syd to be among the finest fielders in the deep. Using material from a wide range of sources, Chris

Overton here writes on their early influences their almost simultaneous start at Lord's in 1934 their inevitable cricketing ups and downs often in those days before crowds of 10 000 or more and their lives after they had left the field of play **British Sport - a Bibliography to 2000** Richard Cox,2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **British Sport: Biographical studies of British sportsmen, sportswomen, and animals** Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian

The Politics of South African Cricket Jon Gemmell,2004-03-31 The Politics of South African Cricket analyses the

relationship between politics and sport in particular cricket in South Africa South African Cricket embraces an ethos that is symbolic of a wider held belief system and as such has distinctive political connotations in the region Sport in South Africa is certainly influenced by forces beyond the playing field but politics too can be influenced by the social and economic force of sport Focusing on the sports boycott as a political strategy Jon Gemmell analyses the relationship between sport and politics through a historical analysis of South African cricket He employs case studies to explore the relationship between politics and South African cricket and argues convincingly that cricket assisted the reform process by undermining the legitimacy of the apartheid regime
