Tabachnick, 2012-02-01 From the early 1920s to the late 1960s T E Lawrence's life and career were largely the subject of sensationalist speculation fired mainly by the romantic image of Lawrence of Arabia Then as the result of various political scholarly and intellectual developments study of Lawrence's career and influence began to take on a new aspect This collection of fourteen essays including Stephen E Tabachnick's extensive introduction provides balanced and fully documented analyses of Lawrence's multifaceted career by an international group of scholars The T E Lawrence Puzzle will appeal to Lawrence experts and to general readers interested in objective reasoned perspectives on a brilliant polymath with a fascinating personality whose many achievements remain very relevant to our own times **The Essential T. Lawrence and the Culture of Homoerotic Desire** Feras Alkabani, 2024-09-19 In the 19th and early 20th centuries the Arabic speaking regions of the Ottoman Empire saw a crucial change in attitudes towards sexuality Notions of respectability propriety and sexual morality were being transformed in literary and cultural discourses a shift that was related to the gradual rise in anti Ottoman Arab nationalism However contemporary Orientalists such as Sir Richard Burton and T E Lawrence were oblivious to certain aspects of this process of cultural reconfiguration While accounts of male love poetry ghazal al mudhakkar were being gradually expurgated from the Arab literary heritage elaborate narratives of Oriental homoerotic desire distinctively characterise the encounters of both Burton and Lawrence with the Arab East By comparing their literary and autobiographical accounts of the Arab Orient with contemporary Arabic literature Feras Alkabani is able to expose this critical disparity in cross cultural portrayals of sexual morality and homoerotic desire Alkabani relates the conflicting agendas of contemporary Orientalists and Arab scholars to the shifts in international imperial power relations and the eventual collapse of the Ottoman Empire His detailed comparative study reveals the significance of homoerotic desire within Orientalist and Arab literary discourses at a time when the meaning and connotations of poetic male love were undergoing a critical change in Arab culture and literature It will prove invaluable for those researching Orientalism nationalism imperialism and manifestations of homoerotic desire in the fin de siècle Middle East **The Real T E Lawrence**

Andrew Norman,2025-08-30 Explores the enduring mysteries of Lawrence s postwar obscurity and complex sexuality T E Lawrence soldier and writer the co leader with King Faisal of Saudi Arabia of the Arab Campaign during the First World War became a legend in his own lifetime And yet to this day there is much about him which remains a mystery two aspects of his character being of particular interest This first is why having become a famous figure with the world at his feet did he choose subsequently to live a life of obscurity in the lower ranks of the armed services The second concerns Lawrence s sexuality Some of his biographers have been accused of bringing sex into their volumes for reasons of sensationalism and publicity To be fair however it was Lawrence himself who first raised the subject by including in his book Seven Pillars of Wisdom an account of the Desert Campaign details of how he was captured and raped by the Turks Lawrence who never married is known to have engaged in masochistic rituals So what was the true nature of and explanation for his sexuality This is the challenge of The Real T E Lawrence     **T. E. Lawrence In War And Peace** Malcolm Brown,2005-09-01 The writings presented in this volume shed tremendous light both on the character of T E Lawrence and the current situation in the Middle East Despite being written more than seventy years ago the thoughts of Lawrence of Arabia remain remarkably pertinent This collection includes Lawrence s wartime reports from the desert along with later writings in which Lawrence attempts to cope with the consequences of war in the circumstances of peace Many of the pieces have previously only been issued in limited editions     **Art Of The Possible: T. Crawford,1998

If you plan to portray a national icon in less than heroic terms you had better be prepared for a fight as Richard Aldington learned even before the publication of his 1955 biography Lawrence of Arabia A Biographical Enquiry Fred D Crawford provides the first examination of all major parties and points of view embroiled in the controversy generated by Aldington s biography of T E Lawrence In two years of research Aldington made major discoveries including the extent to which Lawrence had cooperated with Lowell Thomas Robert Graves and B H Liddell Hart in the creation of the Lawrence legend For this and other reasons Aldington concluded that Lawrence was a charlatan a poseur and a fraud Upon learning of Aldington s antagonism to Lawrence a year before Aldington s book appeared a powerful group including B H Liddell Hart Robert Graves A W Lawrence and other Lawrence partisans worked behind the scenes to suppress and denigrate Aldington s biography These attempts Crawford notes reveal a great deal about how private interests can determine what the public is allowed to read **Culture in Camouflage** Patrick Deer,2009-03-26 Examines how literary writers including Ford Madox Ford Siegfried Sassoon Wilfred Owen James Hanley Evelyn Waugh Graham Greene and others countered the war culture promoted by mass media war planners and military historians Twentieth Century Fiction George Woodcock,1983-04-01

**Lawrence** Bruce Leigh,2014-05-19 More than one hundred books have been written about T E Lawrence which explore the man and his deeds Just about every aspect and the many incarnations of his life his campaigns the geo politics of the Arab world and the influence of the West in it as Lawrence experienced them have been examined However nobody has gone in search of the mind of the man himself of his formation and his deep beliefs Nobody has asked the question What really is the source of the extraordinary power of this little man not only in terms of his incontestable qualities of leadership but also in regard to the sheer range of his activities and accomplishments Archaeologist writer guerilla warfare theorist and practitioner diplomat soldier and airman Lawrence also possessed an unusual ability to cross boundaries of class race culture and religion On top of this he demonstrated the ability to walk away from power and wealth and the accumulation of things to change his name more than once to begin again at the bottom of the heap in the RAF and stay there with only a few friends and books and a motorcycle Lawrence Warrior and Scholar is a quest It examines how a slight Oxford academic

combined two of the most challenging paths a man can choose What drove and motivated this man How was it that he could apparently out shoot out ride and out starve the Bedouin How is it that the US military and others are still studying his famous account of the Arab Revolt and his 27 Articles Drawing upon what Lawrence and those who knew him wrote and did and said Bruce Leigh delves into Lawrence s personal philosophy and practices examining and analyzing his library and his close relationship to the world of classical scholarship and chivalry emphasizing that Lawrence s views were not abstractions only but intimately tied to his actions and deeds Ultimately the book argues that there is a message in Lawrence s writings and activities one that is against the grain of the world of self definition by consumption As one of his friends wrote The Man was great the message is greater     **The Bullet's Song** William Pfaff,2004-11-04 Publisher Description
