## **The Essentials Of Theism:**

**The Essentials of Theism** Denis John Bernard Hawkins,1973      *Dictionary of Twentieth-Century British Philosophers* Stuart Brown,2005-06-01 This is a two volume work with entries on individuals who made some contribution to philosophy in the period 1900 to 1960 or soon after The entries deal with the whole philosophical work of an individual or in the case of philosophers still living their whole work to date Typically the individuals included have been born by 1935 and by now have made their main contributions Contributions to the subject typically take the form of books or journal articles but influential teachers and people otherwise important in the world of philosophy may also be included The dictionary includes amateurs as well as professional philosophers and where appropriate thinkers whose main discipline was outside philosophy There are special problems about the term British in the twentieth century partly because of human migration partly because of decolonialization and the changing denotation of the term The intention has been to include not only those who were British subjects at least for a significant part of their lives even if they mostly lived outside what is now the U K but also people who spent a significant part of their lives in Britain itself irrespective of their nationality or country of origin In the first category are included for instance a number of people who were born and educated in Britain but who subsequently taught in universities abroad In the second category are included those who were born elsewhere but who came to Britain and contributed to its philosophical culture      *The Essential LDS Collection* William Alexander Linn,John Taylor,Joseph Fielding Smith,Wilford Woodruff,B. H. Roberts,Parley P. Pratt,C. V. Waite,Joseph F. Smith,Eliza R. Snow,Joseph Smith Jr.,John A. Widtsoe,Brigham Young James,E. Talmage,2023-11-15 The Essential LDS Collection provides a comprehensive exploration into the multifaceted world of Latter day Saint thought and tradition This anthology presents a tapestry of religious discourse from theological expositions and historical analyses to personal reflections and religious poetry It spans various literary styles inviting readers to grapple with the profound implications of the Latter day Saint faith Each piece has been carefully curated to highlight pivotal doctrines and historical events offering a transformative journey through the intricate landscape of Latter day Saint beliefs and practices Among the included works certain accounts stand out for their depth and clarity providing insight into the enduring spirit of the LDS community The contributing authors are some of the most prominent figures in LDS history including Wilford Woodruff Eliza R Snow and Joseph Smith Jr who collectively embody the rich historical and cultural legacy of their faith Their writings capture the heart of the Latter day Saint movement reflecting its 19th century roots and continuing evolution As part of vibrant religious and literary movements they blend personal conviction with scholarly inquiry enriching the narrative with perspectives from different eras The anthology showcases the writers symbiotic relationship with the cultural currents of their times For any reader interested in religious studies The Essential LDS Collection offers a unique opportunity to immerse in diverse perspectives and styles concerning LDS theology and history This collection promises not only educational value but delivers a breadth of insights into the spiritual ethos that

drives its contributors Delve into the dialogues fostered between these varied works and appreciate the depth ensuing from collective voices that articulate a vibrant faith tradition in enduring literary forms      *The Essential Books of Mormons -*

*Complete Collection* William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, James E. Talmage, B. H. Roberts, Parley P. Pratt, George Q. Cannon, Joseph F. Smith, Eliza R. Snow, Brigham Young, Joseph Smith Jr., John A.

Widtsoe, 2023-11-15 The Essential Books of Mormons Complete Collection is a profound anthology capturing the luminous essence of Mormon theological historical and cultural discourse Spanning a rich tapestry of narrative styles and scholastic achievements this collection serves as a cornerstone of Latter day Saint thought and expression From doctrinal discussions to historical testimonies this volume offers a diverse palette of Mormon literature Highlighting seminal texts the anthology features pivotal works that weave doctrinal insights with personal reflections exploring themes of faith revelation and community in intricate detail all without losing sight of the individual voices that contribute to this collective narrative The editors have meticulously compiled writings from influential figures in Mormon history including theologians leaders and pioneers of the movement whose contributions have shaped the discourse of the Church of Jesus Christ of Latter day Saints Aligning with pivotal events and movements within the church s history such as the Restoration and the westward expansion these authors provide an authentic portrayal of the evolving Mormon identity Their works encapsulate a multitude of perspectives uniting in tapestry the spiritual and temporal journey of a movement imbued with resilience and enlightenment This anthology stands as an indispensable resource for those seeking to deepen their understanding of Mormonism through its seminal writings By offering access to a broad spectrum of voices the collection invites readers to engage with the intricacies of Mormon thought and its historical contexts It is a unique opportunity for scholars believers and anyone interested in religious studies to explore the dialogues and distinct contributions of these remarkable authors whose shared vision continues to influence and inspire generations      *Foundations of Christian Thought* Mark P. Cosgrove, Written by a veteran Christian educator this readable book describes the relationship between the Christian faith and the world of

learning by looking at the five modern worldviews competing with Christian theism      **A New Vision of God for the 21st Century** Stanley A. Fry, 2005-11 A New Vision of God for the 21st Century Discovering the Essential Wesley for Pastors and Other Seekers STANLEY A FRY The need for a book focused on John Wesley as a preacher has been apparent for some time However as fascinating as such an historical work would have been its value for the preaching and teaching ministries of the church in the 21st century would have been very limited The author has turned this study of Wesley s preaching into a search for the preachable and teachable essence of Wesley s message That effort has required a bit of surgery on Mr Wesley which is designed to fit his doctrine of salvation with a new vision of God and another vocabulary responsive to the spiritual sensitivities of the 21st century The result includes a critique not only of Wesley but of some of the orthodox doctrines promulgated very early in the church s history Rather than write a memoir in his retirement the author has chosen to write

this homiletical essay as a testimony to his own spiritual journey It is not a method book but rather a message book **On the Existence of God** Robert Geis,2009-11-11 The existence of God raises many questions Geis work addresses queries that arise from the gratuitous claims of empiricism in Hume unfounded assumptions in Kant presumptions of science and the improbabilities it identifies in Darwinism By focusing on number and proportion as intrinsic to material and atomic constituency any argument from chance as instrumental to the cosmos emergence and sustainability becomes invalidated The arguments from contingency and the nature of intellection provide more clarity than the ratio Anselmi for acknowledging a transcendent causality taking the reader to the problem of evil and present day nihilism These concepts present great but not insuperable difficulty for theism Geis argues that evil when one uses it as a means to the betterment of oneself and the world takes on the role commensurate with the doctrine of an omnibenevolent deity Accordingly one can use evil as a means to a greater understanding of God Providence and eternal destiny *Making Sense of Your World* W. Gary Phillips,William E. Brown,John Stonestreet,2009-01-01 Making Sense of Your World offers a basic accessible introduction to biblical worldview that covers all of these aspects of world view thinking Part One compares the basic worldviews Part Two contrasts and seeks to defend the biblical worldview with the others and Part Three constructs a biblical worldview in four key areas This book is an overview the Christian thinker is invited to continue his or her study through the recommended readings at the end of each chapter an ongoing task Paul labels the renewing of our minds Romans 12 2 **The Essential John Dewey: 20+ Books in One Edition** John Dewey,2023-12-23 In The Essential John Dewey 20 Books in One Edition this comprehensive anthology brings together key writings from one of America s foremost philosophers and educators Dewey s literary style is characterized by clarity pragmatism and an unwavering commitment to social reform reflecting the Progressive Era s ethos His exploration of democracy experience and education weaves a rich tapestry that contextualizes his thoughts within the major philosophical movements of his time including pragmatism and empiricism This compilation not only showcases Dewey s notable works but also emphasizes his belief in the power of experiential learning and the importance of dialogue in education and society at large John Dewey 1859 1952 was a pivotal figure in American philosophy and education shaped by the transformative events of the early 20th century His intellectual journey was influenced by his formative experiences with social issues and his deep engagement with the educational reforms of his time These influences are palpable in his writings as he sought to bridge theory and practice advocating for an educational system that prepares individuals to thrive democratically and morally in a complex society For anyone interested in philosophy education or social theory this definitive collection is an essential read It provides invaluable insights into Dewey s enduring influence and the relevance of his ideas in contemporary discussions about education and democratic engagement This anthology not only serves as a resource for scholars but also resonates with general readers seeking to understand the philosophical underpinnings of modern educational practices [Aquinas' Proofs for God's Existence](#) D. Bonnette,2012-12-06 The purpose

of this study is to investigate the legitimacy of the principle *The per accidens* necessarily implies the *per se* as it is found in the writings of St Thomas Aquinas Special emphasis will be placed upon the function of this principle in the proofs for God's existence The relevance of the principle in this latter context can be seen at once when it is observed that it is the key to the solution of the well known problem of infinite regress The investigation of the principle in question will be divided into two Parts A preliminary examination of the function of the principle will be made in Part I Domains Other Than That of Creature God The domains to be considered in this Part are those of accident substance change and knowledge Employing what is learned of the function of the principle in these areas of application Part II The Domain of Creature God will analyze the role of the principle in the proofs for God's existence This latter Part will constitute the greater portion of the book since the domain of creatures in their relation to God is the most significant application of the principle in the writings of St Thomas In the course of this investigation relevant analyses by St Thomas commentators both classical and contemporary will be considered Finally in light of the insights offered by St

**The Essentials of Spirituality** Felix Adler, 2019-09-25 Reproduction of the original *The Essentials of Spirituality* by Felix Adler **Recasting Hume and Early Modern Philosophy** Paul Russell, 2021-07-13 The philosopher Paul Russell is well known for his scholarship on Hume and free will This volume collects Russell's most important essays on Hume with some articles addressing early modern philosophy more generally The volume is organized thematically into five sections metaphysics free will ethics religion and general interpretations of Hume's philosophy In a substantive introduction Russell outlines how his insights overlap and connect to various topics in contemporary philosophy *Recasting Hume and Early Modern Philosophy* presents the reader with Russell's substantial and interconnected observations and insights on the matters and figures of the greatest importance in early modern philosophy *The Universalist Quarterly and General Review*, 1877 *University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects* University of California (System). Institute of Library Research, University of California, Berkeley, 1972 **After Hegel** Frederick C. Beiser, 2016-09-13 Histories of German philosophy in the nineteenth century typically focus on its first half when Hegel idealism and Romanticism dominated By contrast the remainder of the century after Hegel's death has been relatively neglected because it has been seen as a period of stagnation and decline But Frederick Beiser argues that the second half of the century was in fact one of the most revolutionary periods in modern philosophy because the nature of philosophy itself was up for grabs and the very absence of certainty led to creativity and the start of a new era In this innovative concise history of German philosophy from 1840 to 1900 Beiser focuses not on themes or individual thinkers but rather on the period's five great debates the identity crisis of philosophy the materialism controversy the methods and limits of history the pessimism controversy and the *Ignorabimusstreit* Schopenhauer and Wilhelm Dilthey play important roles in these controversies but so do many neglected figures including Ludwig Bchner Eugen Dhring Eduard von Hartmann Julius

Fraunstaedt Hermann Lotze Adolf Trendelenburg and two women Agnes Taubert and Olga Pluemacher who have been completely forgotten in histories of philosophy The result is a wide ranging original and surprising new account of German philosophy in the critical period between Hegel and the twentieth century *Iron Sharpens Iron* Robert P. Vande Kappelle, 2013-07-26 *Iron Sharpens Iron* is grounded in the conviction that humans have the capacity to transcend conventional spirituality to a genuine and wholesome faith that is dynamic rather than static future oriented rather than past oriented and owned rather than passively acquired Classroom tested this discussion guide is an ideal way for thoughtful Christians in individual and group settings to interact with timely topics Like its companion text *Beyond Belief Science Faith and the Value of Unknowing* 2012 this guide is written for those who affirm the value of lifelong spiritual growth Topics covered include the authority of scripture the uniqueness of Christ faith and reason religion and science biological evolution and morality cosmological evolution and the nature of God and the doctrines of salvation resurrection and the afterlife This guide encourages a high degree of interaction The discussion questions are engaging and appeal to various levels of intellectual and spiritual awareness Sessions follow a fourfold pattern a Getting Started provides an overview of each session b Gaining Momentum provides questions for discussion or further reflection c Going Deeper encourages participants to acquire further perspective and d The Essentials summarizes key points from each chapter of *Beyond Belief*

**The Philosophy of Plotinus** William R. Inge, 2003-07-08 History of the Gifford Lectures The educator and historian Jacques Barzun described the Gifford Lectures as virtuoso performances and the highest honor in a philosopher's career For over a hundred years the Gifford Lecture series has been one of the foremost lecture series dealing with religion science and philosophy In his 1885 will the jurist Adam Lord Gifford convinced that true felt knowledge of God when acted upon generated human well being and progress bequeathed 80 000 to the four Scottish universities Universities of Edinburgh Aberdeen Glasgow and St Andrews for the establishment of a series of lectures dealing with the topic of natural religion In dealing with their particular area of interest and expertise lecturers are to discuss natural theology as a science that is without reference to or reliance upon any supposed special exceptional or so called miraculous revelation The lectures began in 1888 and with the exception of the years during World War II 1942 1945 have been delivered continuously since that time Presenters were to be appointed for a period of two years and could be reappointed for two additional periods of two years each but for no more than six years in a given city In this manner the subject was to be examined and promoted by different minds

**The Philosophy of Plotinus** William Ralph Inge, 1918 **Language, Logic And God** Frederick Ferré, 2016-03-28 THIS BOOK is an attempt to fill the present striking need for an introduction to contemporary linguistic philosophy as it bears on theological discourse Wherever I have gone recently among educated Christians in Britain and America I have encountered profound curiosity and a good deal of anxiety concerning modern methods in philosophy as they relate to the logical nature and validity of theological affirmations Similarly I have found many of my students in

contemporary philosophy and in the philosophy of religion becoming deeply absorbed in the issues raised by a critical examination of theological speech From both groups the intellectually alert Christians and the thoughtful graduate and undergraduate students of philosophy and religion I have been heavily bombarded with appeals for direction to some book which would 1 set forth the central issues and arguments concerning theological discourse for readers who have familiarity with traditional philosophy but who are relatively untrained in contemporary philosophical practices and 2 place into perspective the present state of philosophical and theological discussion in this area of burgeoning interest To my frustration I have had to answer such requests with the admission that no such book exists and with the promise that I would try some day to provide that book myself In preparing this volume therefore I have done my best to keep those promises in mind
